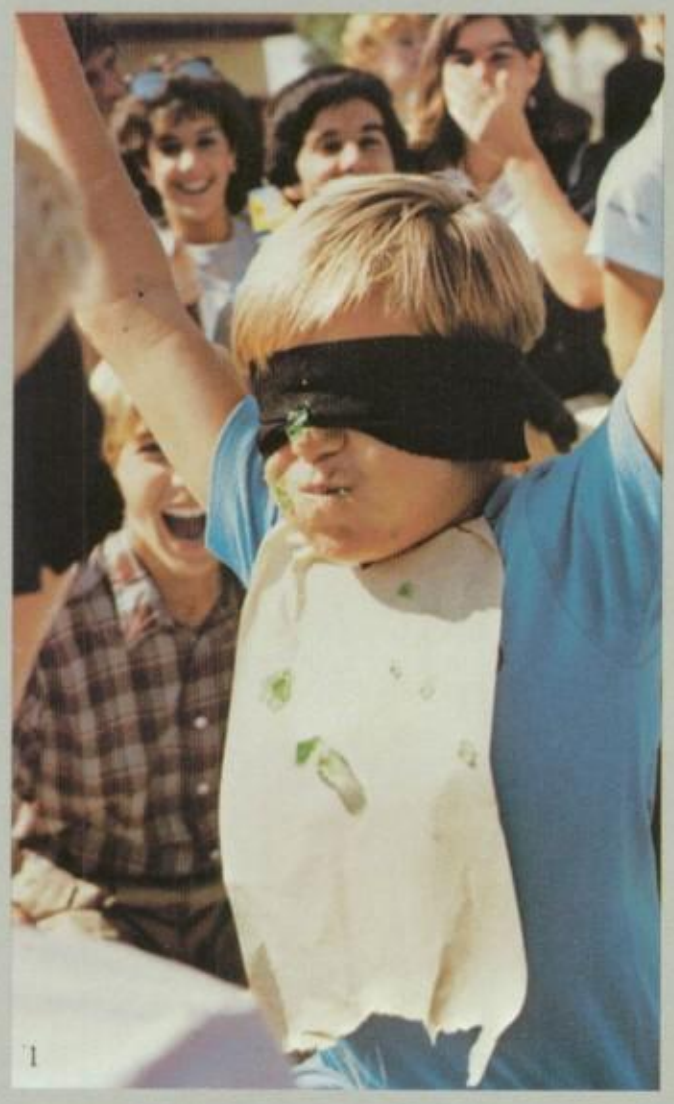
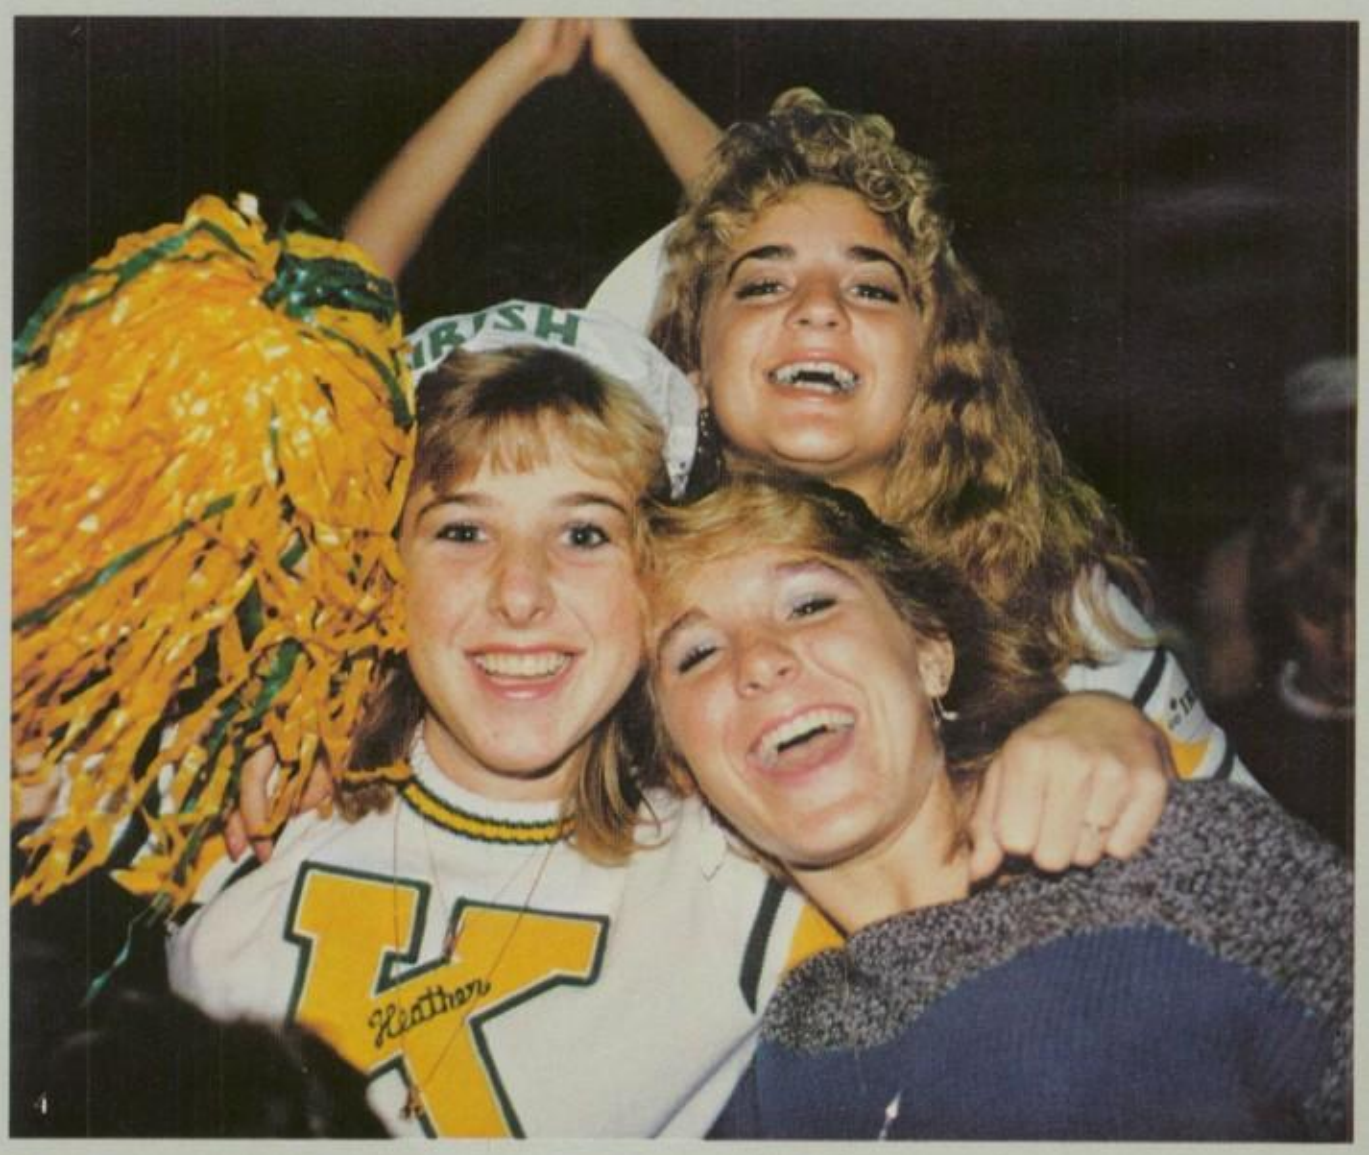
We've Got SPIRIT
How 'bout YOU?

Spirit is a word in every student's vocabulary here at John F.Kennedy High School. It plays a major role in the everyday atmosphere around the campus. Throughout the whole year, the Irish students showed their **spirit** and enthusiasm at football games, pep assemblies and all other school functions. **Spirit** isn't something you have to teach here, because the Irish passed that course with flying colors. So let's hear it !!! "We're from Kennedy couldn't be prouder, and if you can't hear us, we'll yell a little louder!!"





1. Hey Danny (Dalton)! It tastes better in your mouth. 2. "But . . . Uncle Willie (Clark)," says Kathy Poseley and Debra Kreis. 3. Brian McKellips, Casey Rayfield, and Dave Christiansen lead the crowd in a cheer. 4. Heather Meadows, Julie Nowlin, and Pam Rodgers prove that Sophomores can have fun too. 5. Irish Insanity

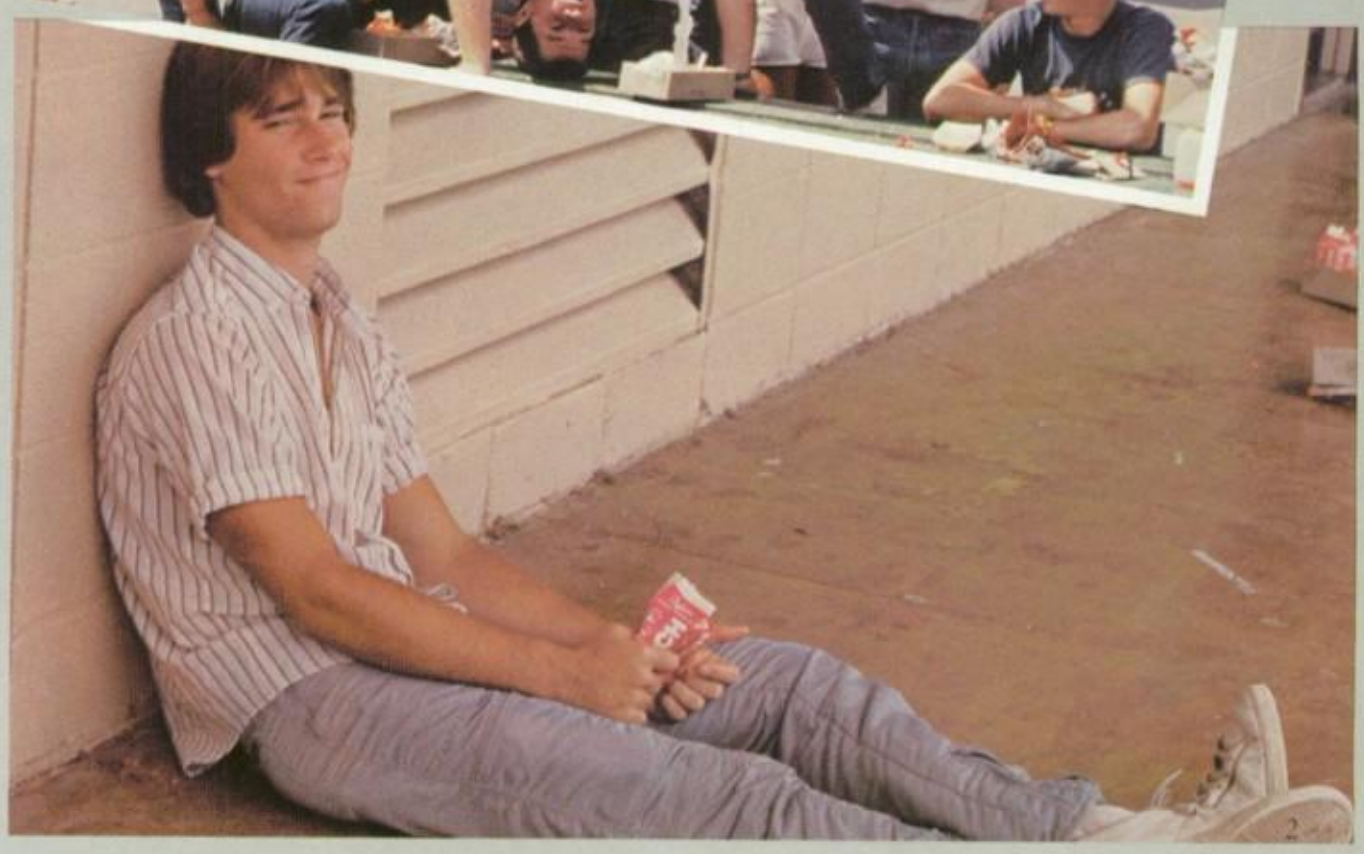
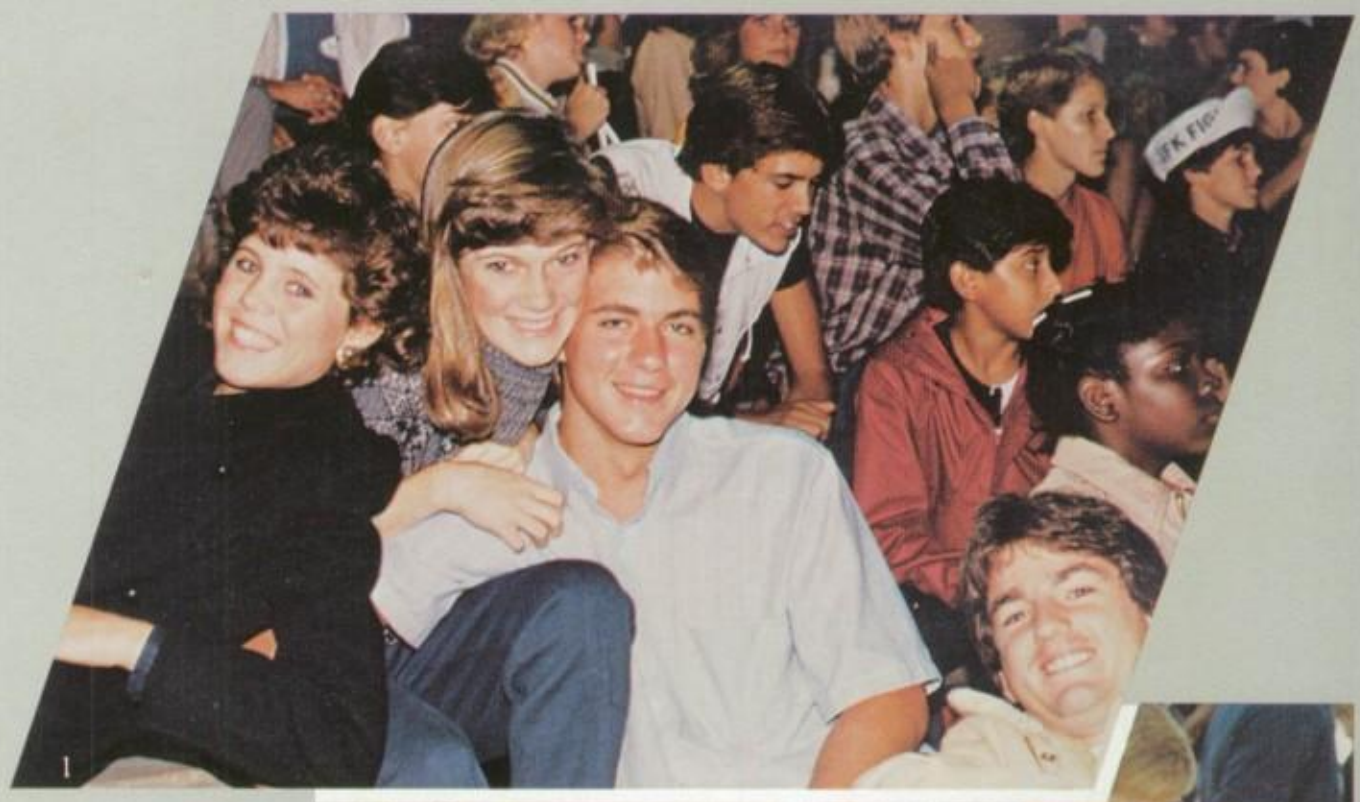
Everywhere I look, there's no escaping Irish insanity. Where else but on Kennedy's campus could I hope to find such diverse personalities? At one table, everyone is frantically trying to get the inside facts on his upcoming fifth period chemistry test. Having fought their way through the lunch lines, others are concerned only with devouring their lunches within the remaining ten minutes. Throughout the week, many students spend their lunch time planning club activities. A great many students can be found taking it easy, enjoying the lunch period with friends. Hey, wait a minute!! Look over there — what is that? It looks like — it is! An underclassman has made the mistake of strolling through the Senior Circle! A couple of burly seniors are helping him find the trash can! I bet next time, this unfortunate victim will watch his step a little more closely! Oh! the bell already? Well, I have to rush if I'm going to my locker and hope to make it to class on time! Just another insane day at good ol' "JFK".



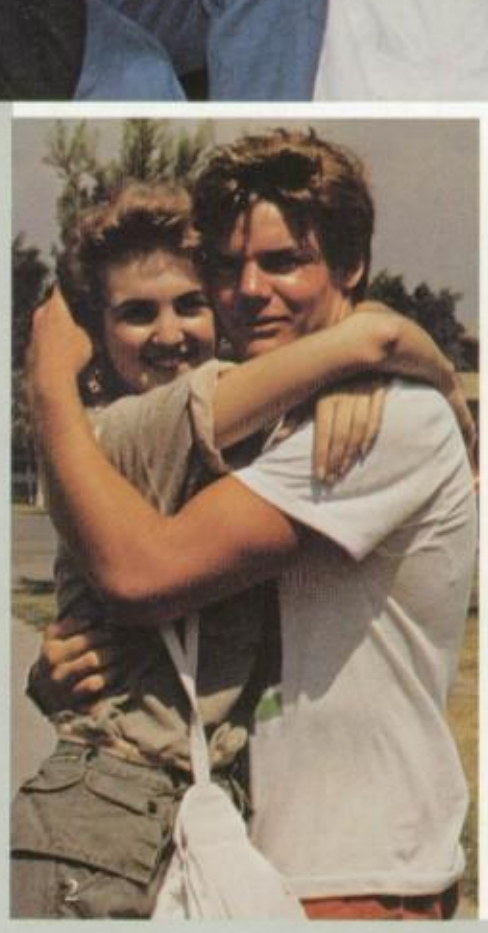
1. Robert Wilson is demonstrating to his friends the fine art of using his head. 2. Tony shows a sly smile while recovering from his morning classes. 3. Tony Hooper, Carlos Machado, and Matt Stebbins show Joe Bennett why he shouldn't forget to take out the trash. 4. Carrie Kirchberg, Lyn Whitbeck, Sheri Taylor, Stephanie LaPrairie, and Kris Martinez call time out from a football game to smile for the camera. 5. Kathy Poseley, Willie Clark, and Debra Kreis caught off guard — come on guys, keep the jokes clean! 6. Chris Houston says, "I ain't afraid of no ghost!" 7. Patti Gwilliam gets by with a little help from her friends Eric Moore, Steve Quon, Willie Clark, Jerry Daugherty, and Mike Faddoul. 8. Maniacs anonymous — identities revealed — Tony Hooper, Carlos Machado, Max Nijst, Lyn Whitbeck, Chris Blackmore, Cari Sypkens, Todd Gray, Brett Bissel, Jeff Green, and Jesse Jones. 9. Tim Smith and Jawanni Cousett swear that school made them this way!

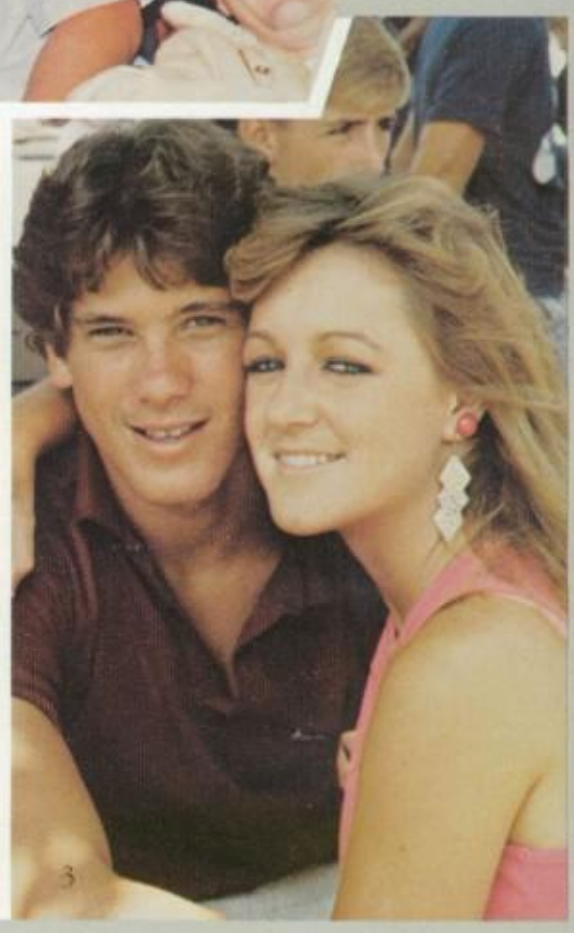
We're in This Together

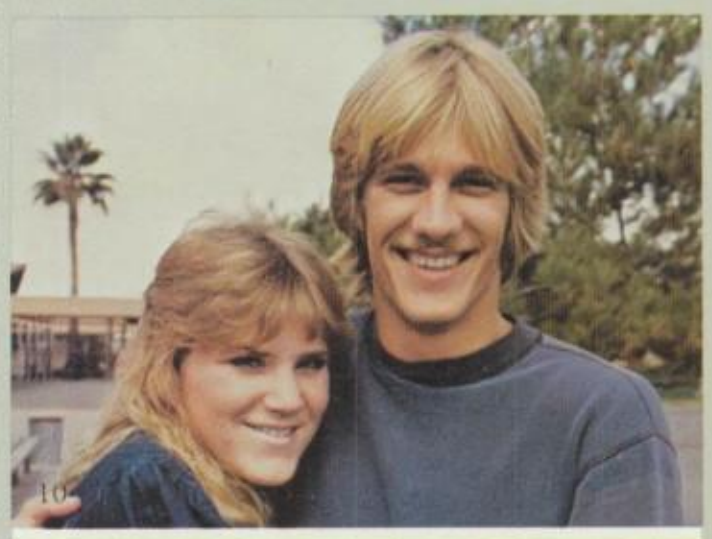
By being together a new shine was brought to our campus. The smiles that were shared throughout the year took the frost off the everyday routine and created warmth and laughter. The relationships that were formed and the people that were met made the days go by faster. The relationships that were built just may be the most important ones in our lives. Not only academic learning, but learning how to get along with each other was a part of the year. It can be said, by sharing each other and each other's smiles. We made it through the year . . . TOGETHER!

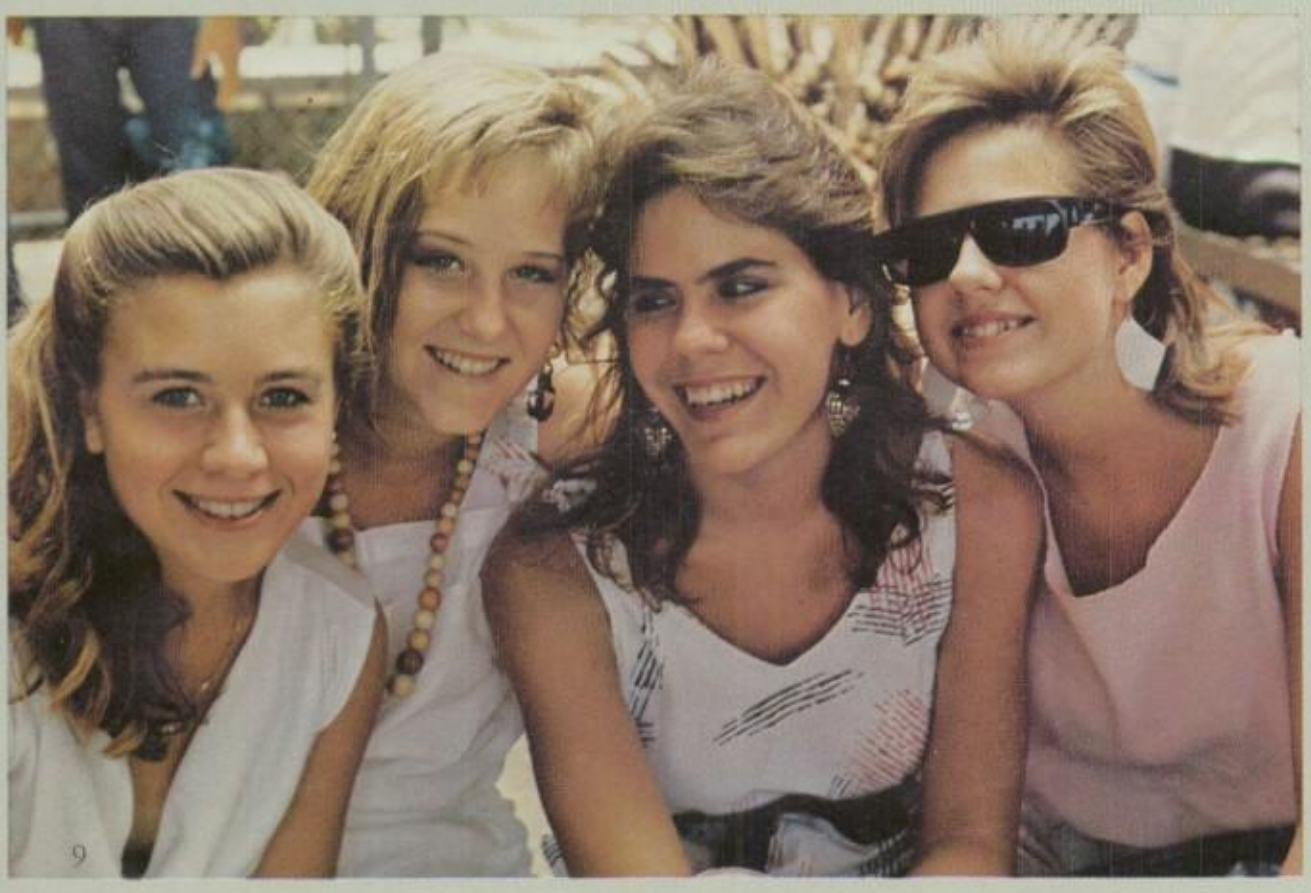


1. Karen Howyler, Jennifer, Jerry Daughtery, and Willie Clark, out for a good ol' time at the ballgame. 2. Darcy Barker and Eric Evans casually bump into each other, we found them doing this quite frequently. 3. "I use Close Up for Mike," says Julie Ocker. 4. "This is my friend Rob", says Ron Kaulen. 11. "Stand by your man", says Gina Locicero about Todd Hudson. 12. These buds for you! Cindy Hansell and Caroline Pugeda.









The Glamorous Life

She wears a long fur coat of flourescent, even in the summer time . . . As bright oranges, glow-in-the-dark yellows and eye-squinting greens blinded our campus, darkly tinted sunglasses soon became a necessity. Who's who and how much was the question, as trying to *GUESS* how much peoples clothes cost was the challenge of the day. And with *PURPLE RAIN* falling, people thanked their *LUCKY STARS* they had old reliable *BLUE JEAN*'s on their side. Like a *RATT OUT OF THE CELLAR* the word popped out as breakin' jumped in and all around campus people could be found spinning on their heads. But one thing was for sure, *style* was not lacking on the Kennedy campus.

1. Tina Edmond and Sean Finlay sing, "We wear our sunglasses at school!" 2. "Those flourescent colors are driving me WACKO!", says Leonard Escardo. 3. All the way from Hawaii, Lyn Whitbeck sports the latest in head wear. 4. Carla Watson takes time from her busy schedule to give a smile. 5. "Dress code?? We are a New Generation of Leaders

The Future is Ours

On the Road to Success

"Successful" is a good word to describe the Student Council. While most of us started school in September, this busy bunch was planning up coming events. These had to be fit into their busy summer schedules. With A.S.B. President Mike Bang, leading the way with the rest of the Student Council right behind him, they encouraged the Student Body to get involved. Activities like the back-to-school dance, with a first ever D.J., pep assemblies, **Spirit** week, and homecoming were all memorable and special to everyone. The Winter Formal held at the Balboa Pavillion, Irish Week, and The Prom, in which we were the first school to hold one at the Emerald Hotel, were lasting impressions, one could not forget. When it was all over, the hard work was definitely a successful projection of pride and **Spirit!**

1. Jawanni Cousett, Kris Gibson, Cindy Hansell, Danny Nichols, and Alane Azevedo all agree, "We are just one big happy family!" 2. Strutting With Spirit

Tooting, blowing, marching, and drumming their way into our hearts, the Band was a major ingredient to Kennedy's tremendous spirit this year. The band was always there to help lead the cheering at assemblies and football games, and they were always seen at local parades throughout Orange County where they won many awards for their outstanding performances. Led by band director Zig Kanstul and marching instructor and major Richard Dekany, the Shamrock Regiment spent many mornings, and they spent countless hours selling items for fundraisers. Marching In Style

The Drill Team had not only an exciting year but, one of competition and performance as well. These 36 girls practiced 12 hours a week and performed in three shows a week. Their dedication showed forth in the assemblies, home games and routines. They added a special flare to the band in the Silverado Days Parade and sparked up "The Band and Drill Team Spectacular." The girls worked hard under their advisor Danell Till, and practiced with the leaders: Lisa Carrillo, Chris Collier, Jennifer Smith, Patty Warsow and Veronica Tippins. Officers were Jennifer Gloe, Sheri Yamanishi and Tammy Sito. All these girls, along with the rest of the team, worked hard to come out in style.

The Elite Irish

Fashionably dressed in their pristine white uniforms with metallic green and gold sequins, the John F. Kennedy Colorguard embarked onto a new and exciting fall season. With their techniques rehearsed to perfection, this elite group captivated audiences of all ages.

Before any award could be won, the colorguard spent many hours before and after school practicing to achieve the excellence they have attained in their performances.

The Colorguard consists of both flags and rifles. Tracey Fay and Tracey Bouche were the flag captains. Melody Alsmand and Gina Polis were the rifle captains. Together they produced the 1984-1985 award winning colorguard.

The Kennedy High Performing Dance Team entertained many spectators through the year during assemblies and at special events, such as Silverado Days, Fine Atrs Holiday Show, Spring Show and Holiday in Music. The girls were under the supervision of Ms. McBride, who helped them with their modern dance, ballet, tap, jazz and novelty routines.

The Dance Team spent many of hours preparing for each of their performances before and after school. It's More Than a Class

IT'S AN ADVENTURE

Who says that there is no true adventure left in the world? Why, there was an adventure going on during fifth period in room 49 everyday, Monday thru Friday and then some. Although the adventurers were disguised as your everyday students, they carried the qualities to meet those fierce yearbook deadlines (D-days) and to work together so that the book came out on time. Leading this adventurous staff was the Editor-in-Chief, Janet Ambuehl, who along with Advisor Mr. Bob Maib saw to it that the expedition was kept on course and did not fall behind schedule. In an area unique in itself was Steve Alcala, the photography Editor, who while working with the other photographers had the job of capturing the natives of film. As a whole, the entire group of adventures contributed his or her talents to help each other out. Although there were some steep mountains to climb, the yearbook adventure was fun and worth the prize. What prize one might ask? Why those priceless images found only in the jungles of John F. Kennedy High School — those **Images of Spirit!**

Telling Us All About It

Taking interviews, taking notes, and taking a look at Kennedy High School, the highly spirited **Shamrock** staff presented us with the opinions and current events at our school. They covered all the activities on the campus with enthusiasm to keep the student body completely informed. The Newspaper Staff was led by the expertise of the editors-in-chief Eddie Kreitz and Teresa Strong, as well as the section editors Jeff Rheins, Kristy Appell and Shannon Carey, and cartoonist Garrett Omata and advisor Mr. C. All these people helped to make the **Shamrock** a major component to the school's radical **spirit.**

Moonlight and Roses

The crisp November night air with the moon glowing over Handel Stadium was the atmosphere for Homecoming 1984. The potential queens and princesses were filled with excited anticipation as they were chauffeured around the track in classy Corvettes. As the band played the theme from the movie "Terms of Endearment," the girls were escorted by their fathers onto the field. Then the long-awaited moment came. A Trans Am with the mystery guest inside drove onto the field, and everyone in the stands waited to see who it was. It was Burt Reynolds! At least he sure looked like "the Bandit." He was the Burt Reynolds look-alike, and he announced that Alane Azevedo was queen. The court was composed of senior princesses Jawanni Cousett and Caroline Pugeda, junior princess Terri McCarthy, sophomore princess Chris Clammer, and freshman princess Deanna Mays. This Homecoming night will always be remembered as a night filled with special memories, and moonlight and roses.

They've got the "Irish" Spirit

The Junior Varsity Cheerleaders did a terrific job. Not only did they cheer for our junior varsity teams, they also did some cheering for our varsity teams as well. As far as **spirit** and pep go these six girls had more than enough. Way to go J.V.!!! Being the mascots at Kennedy is definately not as easy task to handle. We Couldn't Be Prouder

The Sophomore cheerleaders did a spectacular job throughout the school year. Making spirit rise wherever they shined their bright smiles. Chanting their many sayings at football games, assemblies and other events is not an easy job to handle. But these girls are proud enough and take pride in doing their cheering right! pajama and hero days

1

On Monday of Irish Week, students wearing their sleeping attire (yes — pajamas) could be seen participating in some wild class competitions. These students jumped furiously to the finish line in the pillow case race, and literally stuffed themselves with cereal in the cereal stuff competition. There was also a teddy bear toss, and students were judged for best dressed jammies. Pajama day was a great start to a very **spirited** week.

Hero day was another theme day during Irish Week. Students came dressed as their favorite heroes and participated in such grueling competitions as the obstacle course and the horrendous hamburger stuff. Hero costumes were also judged. This was a day which brought out the hero in everyone involved.

1. Joey O'Brien is trying to keep from laughing while gobbling down some Lucky Charms cereal. 2. Stephanie LaPrairie, Chris Gibson, Lyn Whitbeck and Elissa Sexton model their PJ's. 3. Groovy man, like were you able to relate to that flower pass? It just blew my mind. Oh wow, and that limbo contest was just the most! How do they move like that? Why, it must be the music. The hulahoop contest was just too far out for me; made my head go in circles. The thing I just don't get is all day everyone kept coming up to me and telling me, "Wow what a groovy costume you have on." What do they mean costume? I always dress this way man.

THE THRILL OF VICTORY, AND THE AGONY OF DEFEAT

There was an enormous turn out this year to watch the exciting tug-o-war event. Students from every class came out to support their fellow classmates and friends. This year there were many surprising turn arounds. For instance, the Drill Team was very confident that they would defeat the Varsity Cheer Team. But surprisingly, the Cheer Team was prepared, and they put up a good fight to come out victorious over the Drill Team. It was a very upsetting day for the entire Drill Team. Another such incident was the battle between Yearbook and Newspaper. The entire Yearbook Staff and several Kennedy students feel that Newspaper's win was very controversial. The video tape of the event itself shows that the Yearbook Team was victorious in the first round, but the referee, Chris Blackmore, failed to call the win, and he gave the win instead to the Newspaper Team. A side from that one incident the entire day was very amusing and full of surprises.

1. Dave Christensen and some of his fellow classmates are showing their good sportsmanship after losing to the tough Senior Class Team. 2. The Yearbook Team is pulling its all against the Newspaper Team. 3. The Varsity Cheer Team is showing how good it feels to finally defeat the Drill Team. 4. Cathy Laskey is saying, "Come on you guys, just a little bit more and we win!" 5. The Drill Team is gracefully jumping into the water after losing to the Cheer Team. 6. Drill Team is trying its best to stay in the game against the Varsity Cheer Team.

Green and Gold day...

With the boat race competition being held on this last day of Irish week, Green and Gold Day ended with a SPLASH! The juniors came in first place, in the fierce competition, but no one will forget the seniors. It all started with Scott Benda, proceeding into the boat, with all sureness of winning. Then much to his surprise Eric Evans jumped on the back of this small boat and it slowly began to sink. They made it across the pool but on the way back the boat tipped causing Scott and Eric to sink. This lead to disqualification, but still the memory will not be forgotten. Also, we had the results for the door decorating contest. Mrs. Jensen's class won first place, Mrs. Amos's second, and following in third with great effort, Mr. Ward's door. Truly our Kennedy pride will live forever.

1. Bill Brownell and Joey O'Brien on the trail of victory. 2. Eric Evans and Scott Benda taking the plunge. 3. Amy Mays enjoys the fun of Irish week. 4. Richard Bandy, and Bill Hughs waiting for the action to occure. 5. The champions take there stand for the door prize. (left to right) Tawney Jeffries, Laurie Peters, Linette Bandy, Erica Oesterle, Mrs. Jensen, Christen Mortensen, (kneeling) Sarah Trevino, Paul Cisneros, Roger Clark, Craig Cummings, Maureen Condon ... and all art work by Darin Nakakihara.

THRILLER

A thrilling October 31 arrived at last as the Kennedy creatures came out to haunt. Hoping to cast ghoulish shadows of spirit into the unknown corners of the campus, they came in all shapes, size, colors and textures. Some where cute and harmless while others looked like they had just barely escaped from the Ghostbusters' nutrona ray guns. All in all, the haunted day transformed itself into one that would never be forgotten. It was a Thriller!!

1. left to right. Mike Ward, Paul Cisneros, and Larry Miller in the role of Death There is Your Sting. 2. Carrie Claxton, plays cabadge patch while Debbie Adams as a gremlin, stays near. 3. Stephanie Coker brings Alice in wonder land to life. 4. Cave people meet with little red riding hood. Jennifer Jones and Merila Mecle. 5. Left to right: Heather Maida and Kim Berch pals to the end. 6. Korri Huston, Sharon Maynes, and Stacy Bumcrote taking a walk in the park. 7. Cute fantasies come to life. left to right Cristy Marquez, Michelle Jansen, and Christen Nicks.

MOST PREFERRED MEN

A "Treasured Moment" is exactly how one might have described the night of the winter formal. It was an evening of elegant dining, strech limousines, and formal attire. Planned months in advance, the winter formal was a great success.

After arriving at the Balboa Pavilion, many of the attendants started off the night by getting pictures taken. Those who were there should remember the long line. Following pictures, many ventured off to the dance floor and danced to the sounds of the band, Scandal. Other attractions during the night were the beautiful hor d' ouevre line and the night life of the city outside.

The tradition of announcing the most preferred men continued this year. Unfortunately, not all of the winners were present. After being announced most preferred; the winners that were there lead the next dance.

1. Darcy Barker and Eric Evans get their pictures taken. 2. Tony Beusing and his date sneak off to the hor d'ouevre line. 3. "Scandal" playing some dancing music. 4. Rhonda Clammer and Cary Fletcher share a hug. 5. Most preferred senior, Alan First poses with his date Shannah Morris. 6. Jeff Nowlin, most preferred senior, dances with Cathy Laskey. 7. Laura Soar looks proud with most preferred junior David Christensen. 8. Most Preferred in his class Jonn Christensen with Chris Clammer. 9. Melissa Pellin and her escort enjoy the night together. 10. Mike Conner and Nikki Wright, share a table with Karen Conner, John Wellman, and Cynthia Rodgerson. 11. Glenn Johnson shows us the latest moves.

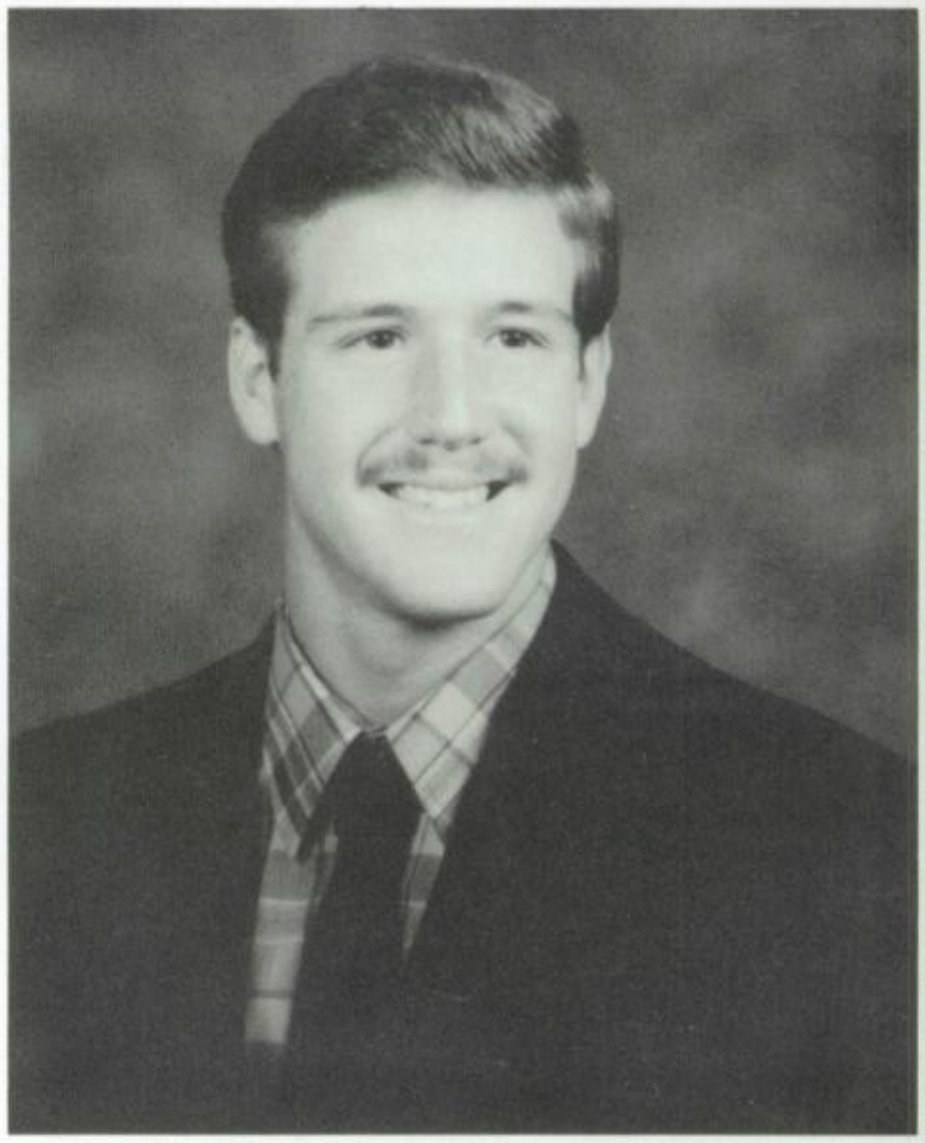
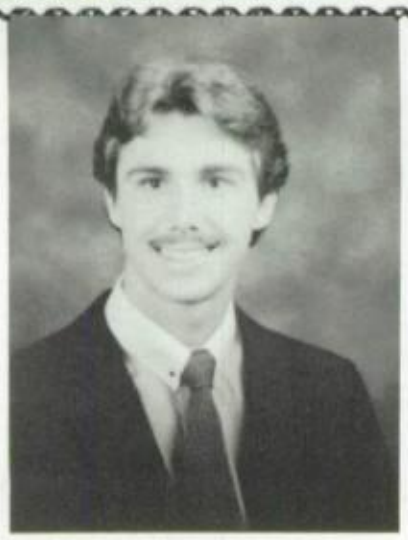
MR. IRISH

MIKE FADDOUL

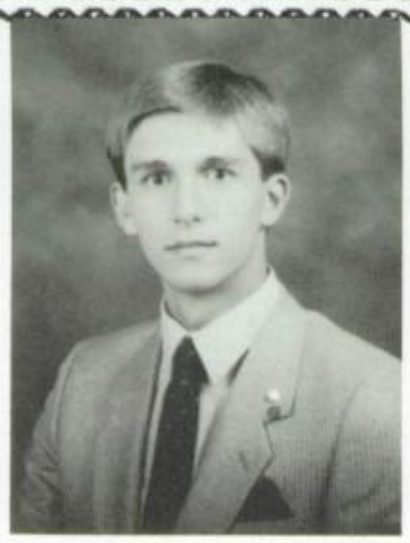


My years here at Kennedy have been full of good times, good friends and unforgettable moments. As a Sophomore and again as a Junior, I was elected Class Vice President. I was a finalist for Boys State and as a Sophomore was awarded the Hugh O'Brien foundation grant. I have maintained a GPA of 3.2. As a Junior, I received an undergraduate PTSA award. I have started and lettered in both Basketball and Baseball three full years. Recently, I was named among the Who's Who of American students. I thank my parents and teachers for all that they have done for me these past four years.



DERBY DAVIDSON

Education prepares us for the future, relationships, problems and additional education. I have been in advanced placement courses all four years. My GPA is 4.0. Last year I was elected to the Emerald Chain. My participation in extra curricular activities has been extensive as well. I participated in Basketball and Tennis all four years, being voted best defensive player as a Sophomore, and co-most valuable as a JV player. I am a member of the Key Club, O.C.T.E. and have participated in many campus projects through my years here at JFK.



RICHARD DEKANY

School has been a lot of hard work and a whole lot of fun the past four years. I am thankful to have had the opportunity to participate in everything. I have been enrolled in honors classes all four years maintaining a 3.95, all honor courses. As one of the orginators and President of the new club on campus, O.C.T.E., I have participated in many campus projects. I have been active in band all four years, serving as Drum Major during my Senior year. Interaction with the wide variety of people at JFK has made my life extrememly happy here at school.

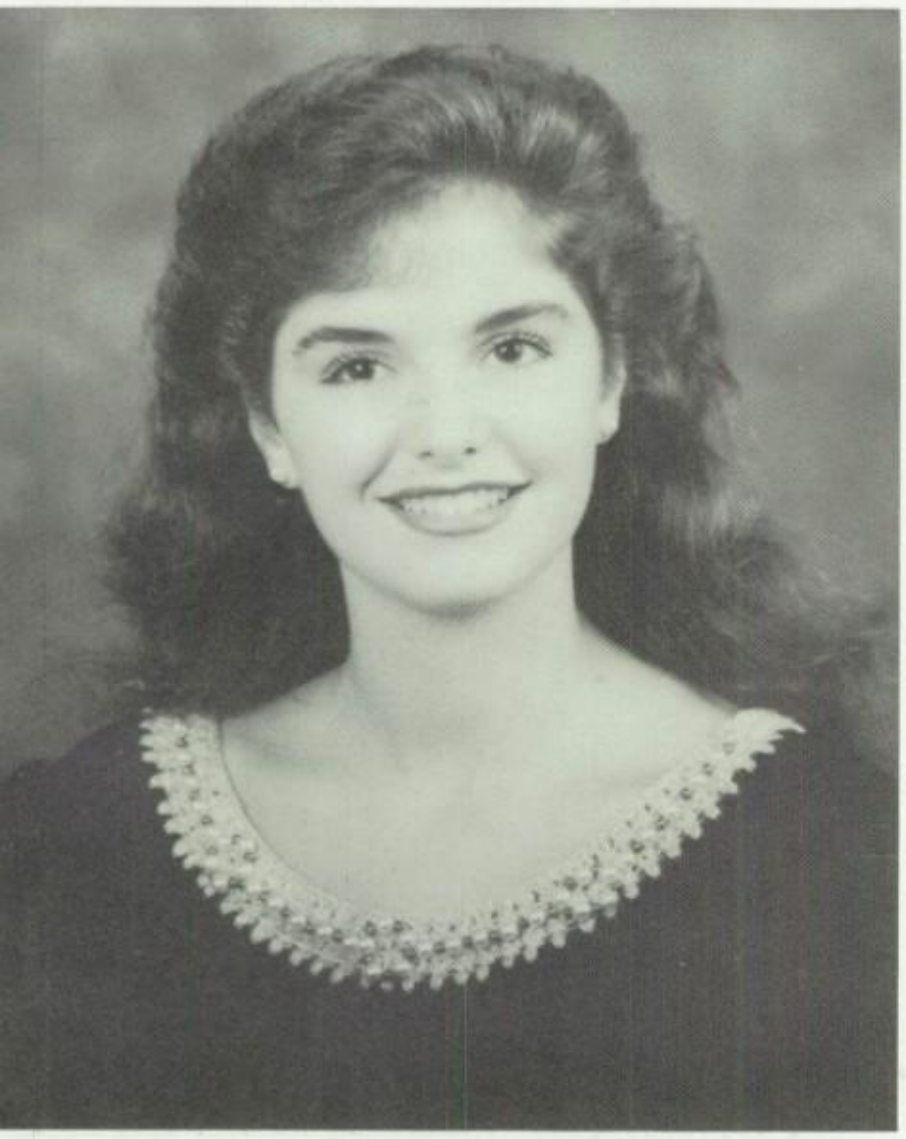
TSUYOSHI KURAMOTO

I have come to realize that life is like a big mountain, and one receives a balance of skills in order to reach the top. I have taken adv. placement classes all four years and have maintained a 3.85 GPA. I have been an active member of Diati and C.S.F. clubs for the past three years and have served as President of the Science club. As a Junior I was elected to the Emerald Chain. The past two years I lettered in Track. My education has also included involvement with Buddist organizations. I would like to thank my family and teachers for the help they have been to me. I am sure I will reach the top of the mountain.

STEPHEN QUON

While at JFK, I have learned a lot about myself and the world around me. I have enrolled in honors classes all four years, and maintained a 4.0 GPA. I have been a member of the Asian, Science and Diati clubs. I have been a member of the House of Representatives for three years. I have participated in Track and Basketball and earned a Varsity letter in Track my Junior year. I have been on the Honor Roll, Dean's list and the Emerald Chain. An elected member of Who's Who in American students, I have been identified as Academic All-American. Thanks to my whole family. Without them I couldn't have done it.

MISS IRISH



ALANE AZEVEDO

Looking over the years I have spent at John F. Kennedy, I realize my life has been filled with learning experiences and cherishable memories. My Sophomore year I was a member of the PTSA as a class representative. My Junior year I was a member of Student Council and was elected as Junior Class Homecoming Princess and was active in CSF and Pep Club. As a Senior, I have held the office of Activities Commissioner in Student Council, and was elected Homecoming Queen in the fall. All of the people I have met here at JFK have played a vital role in shaping me into what I am.

SHARON ATHERTON

I have been active all four years here at JFK. My family and friends have supplied all the understanding and love necessary for me to achieve my goals. As a Sophomore I was active in Modern Dance and was part of Kennedy's Homecoming Court that year. As a Junior, I was on the Junior Varsity Cheerleading squad and was Junior leader in Performing Dance. As a Senior, I was a member of the Varsity Cheerleading squad, and President of Performing Dance. To all of you at John F. Kennedy High School, I owe a debt of thanks.

JAWANNI COUSETT

My years at JFK would not have been the same without the wonderful support of my friends. As a Freshman, I was on the Cheerleading squad and was also Homeroom representative. As a Sophomore, I participated in Track, Tennis and Basketball, and received the "most valuable player in Basketball". As a Junior, I was active in these sports as well as FBLA. That year I also sang with the "Young Americans" and received the "Best Singer" award in Chorus. As a Senior, I have been in all sports and recently sang with the "Young Americans" in Las Vegas prior to the Osmonds show. I will never forget JFK.

CYNTHIA HANSELL

Being at JFK for the past four years, being able to pursue anything I desire, has provided me with many friends as well as many learning experiences. As a Freshman and again as a Sophomore, I was active in athletics and was also Class Secretary. I was Junior class President and also participated in Volleyball, Soccer and Track. My Senior year has been my best. As ASB Vice President, I have received a great learning experience through meetings with all segments of the student body. While enrolled in a college prep program, I have earned nine Varsity letters and have maintained a 3.38 GPA.

JENNIFER JONES

We must make the most of each of life's moments because tomorrow is promised to no one. As a Freshman, I was a member of the Frosh Cheer Squad and was active in the House of Representatives. As a Sophomore, I was active in Pep Club and Cheerleading. As a Junior and Senior, I was a Varsity Cheerleader and a member of the Newspaper staff. Also, an honor I am proud about is being named in the Who's Who of American Students. As a Senior, I was elected to the position of Senior Class Vice President. I am proud of my family and friends. Thanks to you all.

Senior Officers

"A Class with Class", is how Senior class representative, Kris Gibson, described the "awesome class of '85!"

The Seniors wanted to go out in style, so they worked hard at Senior activities like the T-shirt and button sale, skate nights (exclusively for Seniors), The Senior Assembly, and the Senior breakfast with a first time ever slide show!

The man in charge was President — Tsyouski Kuramoto, accompanied by Vice-president — Jennifer Jones, Secretary — Jawanni Cousett, Treasurer — Stephanie Coker, and the Senior Representatives — Kevin Brown and Kris Gibson. With the help and effort of these dedicated Seniors, the class of "85" was stylin'!

Thanks everyone! I'd have never made it without you!

The Legend of Joe Schmoe:

It all started one frightful morning in Mr. Haynes's class during a test. A scantron test paper bearing the name "Joe Schmoe" had mysteriously worked its way in with the other student tests. Little did anyone know that this creative mishap was about to give birth to the newest student of the Class of '85. But, it did not stop there. Homework too and even a ten page research paper was turned in bearing the name "Joe Schmoe". To this day no one is really quite sure just who he really is except that he graduated with the Class of '85 and is a product of their Irish **spirit!**

My! My! The Seniors of '85 are at it again.

Linda Rawson and Charlaine Schmidt are buddies forever.

Winners All The Way

1984 can be described as a year of transition. A new coach, an inexperienced team, and a new system all meshed to lay the foundation for a brand new program. While the won-loss record was not indicative of success, the superior effort of all the players absolutely makes them victorious.

Injuries to key personnel, a lack of team size, and a very tough schedule (seven opponents went to the playoffs, three played for a C.I.F. championship, two were C.I.F. champions), made for a great challenge. Week in and week out, the Irish accepted each challenge and came out fighting. Their efforts were highly regarded by opposing coaches and players.

The pre-season found the Irish matched against three of the best teams in Orange County (Western, El Modena, Fullerton). While the team's inexperience prevented victory, consistent improvement could be seen. As league began, the Irish turned the corner posting back to back victories against Cypress and Katella. The Irish found themselves 2-0 and in first place. Next, a tough physical loss to Los Alamitos knocked four key players out of action, hampering the Irish's fortunes. The C.I.F. bound Saxons of Loara followed and were outplayed by the ailing Irish in every category but the score. The following three weeks saw the Irish lose to Esperanza, Pacifica, and El Dorado. Loses on the scoreboard, yes. However, not in the hearts or minds of those whose efforts were so valiant. Definately, the men who wore the green and gold were winners all the way.

Although the Sophomore Football team finished 3-7, several games came down to the wire. Kennedy's team fielded on the average of fifteen players. This spoke well for the small team's play. At the banquet for the Sophomore team awards went to Todd Bristow and Mark Roah for captains. The most valuable player went to David Kemp and most improved was Sandro Leveratto. Other outstanding players were Charlie Lindquist, Brett Heppler, Hynn Kim, and Vince Lia.

The 1984 Freshman Football team, led by co-captains Lee Krebs and Charlie Willaims, didn't have a very successful season (they finished with a 2-8 record) but showed characteristics of a great team. Some of the loses were either by narrow margin or by last minute touchdowns by the opposing team. The Freshman team has got the potential to be a great team in the future. The recipients of the most inspirational, most valuable player, and most improved went to Bein Serrano, Rich Magalies, and Ralph Arenas respectively. The coaches were Switzer, Foley, and Samples.

The Boy's Varsity Basketball Team began the season with one goal in mind, to qualify for the CIF playoffs for the fourth year in a row. With a talented roster, led by co-captains Jeff Green and four year letterman Walt Lauderdale, the Irish got off to a spectacular start going undefeated through the first half of Empire league play. Senior guard Mike Faddoul dished off to Walt Lauderdale and Jeff Green. Brett Bissel played hard-nosed defense while Darrin Queen did it all! Senior Phil Galante was called on whenever a basket was needed and Derby Davidson, Danny Curry and Mike Valarta were the defensive stoppers. Whenever a spark was in need, Seniors Anthony Hinojos and Willie Clark along with junior Glen Mares came well equipped with the fireworks that were needed. Coach Mayberry utilized all of these talented players as the Irish looked at their watches and headed for WINNIN' TIME.

Led by sophomore team Coach Olson and freshmen team Coach Bloom, the frosh/soph basketball team proved that basketball fever was not only confined to the varsity players. Playing before a small but enthusiastic crowd, the frosh/soph team swished to a winning season. With many hours of practice after school, they did more than catch the rebound. J.V. Basketball, under the leadership of Coach Jim Wing and Team Captain Ingred Wilkens, was an inexperienced yet determined team. They practiced many long hard hours for their tournament. This year's edition of J.F.K. volleyball had its ups and downs. Janelle Frese and Cindy Hansell defended the middle along with junior All League Player Monica Casey. Outstanding hitter Ree Rabune, a junior, and Kathy Maynard, a senior, showed good consistency throughout the season. Sophomore Nancy Grow also had a good year as setter and server. We had strong support from seniors Debra Kries and Kathy Posely. All in all, the volleyball season was an experience for everyone involved.

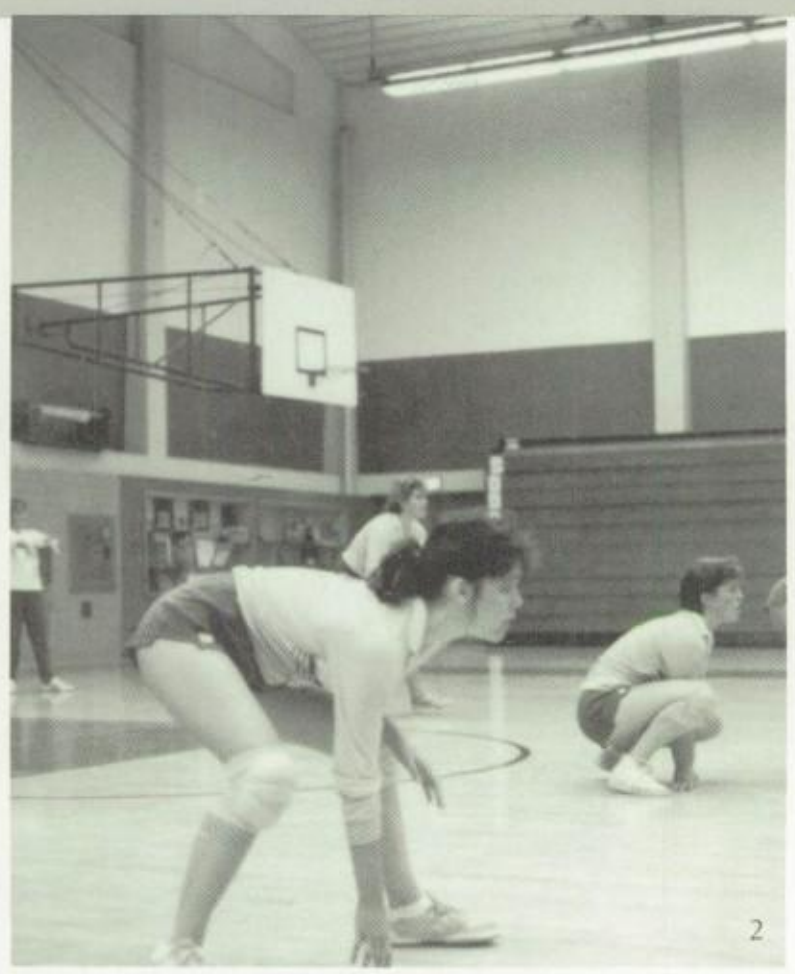
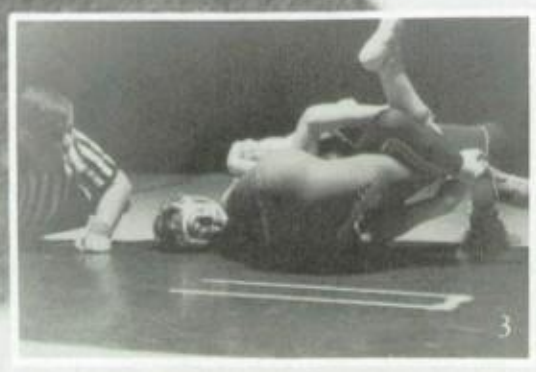
A Winning Season



Junior Varsity and Freshmen/ Sophomore had an interesting year. They spiked, passed and served the ball like Pros. Coach Jean Rabune felt the J.V. girls learned the idea of real team **spirit.** The team's togetherness on and off the court showed their efforts to succeed.

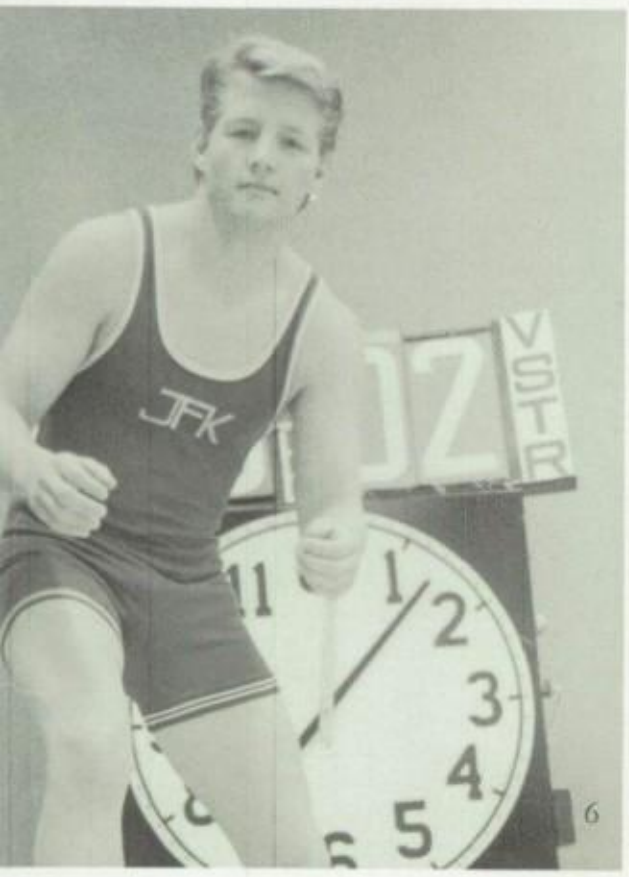
Pat Simmons, coach for the Freshmen/ Sophomore team, was excited at the enthusiasm and ability they showed this year. Overall, they did their best and it shows.

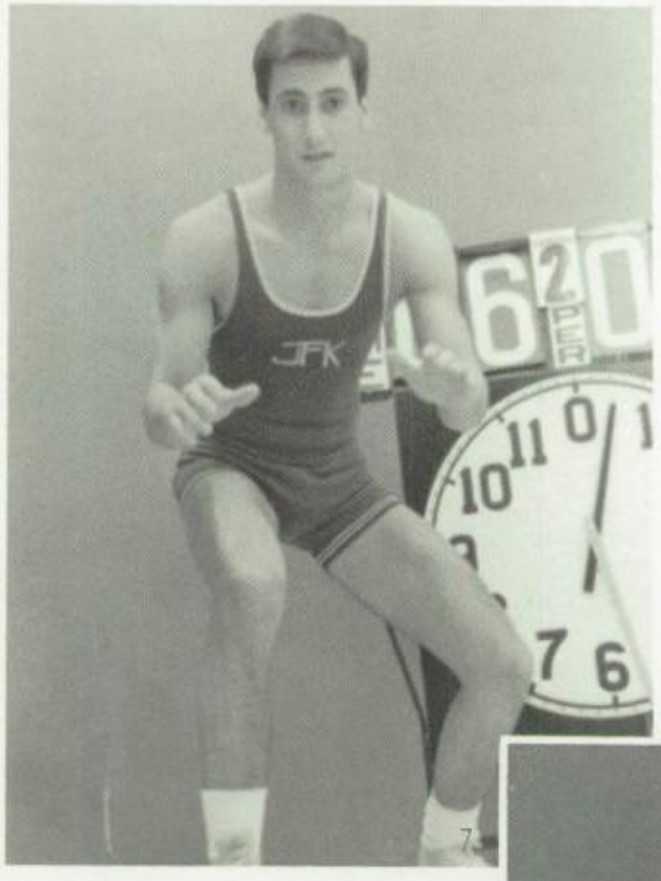
1. Coach Rabune is pleased with her girls' performance. 2. Suzanne Garibay waits for opponents serve. 3. Coach Simmons takes "time out" to talk with girls. 4. Frosh/Soph team practice their serves. 5. Irish player concentrates on play. 6. J.V. girls relax between games.



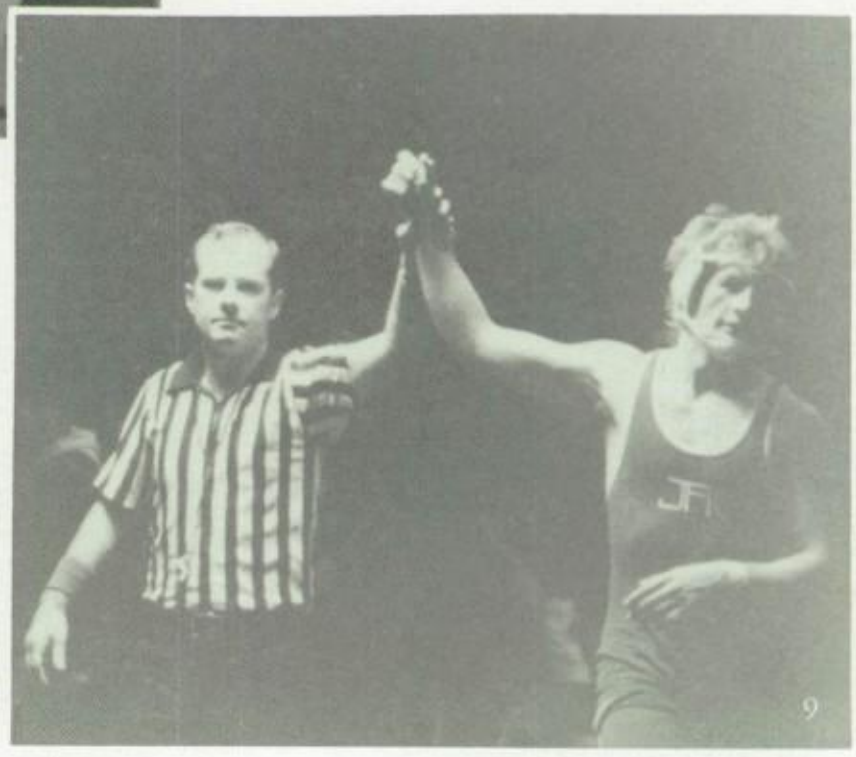
A Pin Anyone????

The Varsity Wrestling Team for the 84-85 year was not as promising as past years but as Coach Plunkett said, "I can't wait until next year!" because of the young Varsity team. The year's Varsity Captains were Carlos Machado and Tony George. The team's record was not good but as individuals the team had some people that had a chance for C.I.F. Wrestling is one of the most strenuous sports, not because of the training but of the losing weight and then having to wrestle. The coach had a very good program for the team. He gave the kids a chance to wrestle in Freestyle Tournaments after the season was over and also to see styles of some of the best coaches. Coach Plunkett "loves" wrestling and knows a great deal about the sport. He felt that the 84-85 year had been successful and would like to continue building the wrestling team at Kennedy.





1. Big Don Kim gets a pin. 2. Kennedy makes their entrance. 3. George, a little tied up at the moment. 4. Carlos on his way to another victory. 5. The Varsity Wrestlers and Wrestlerettes of 1984-85. 6. One of the Wrestling Captains, Tony George. 7. Head Captain, Carlos Machado. 8. Wrestlers warm-up before an important match.



Winning the Struggle

Junior Varsity and Frosh/Soph Wrestling teams had a tremendous year. First off both teams were coached by Mr. Joe Torturo and had a lot of great newcomers, such as Danny Dalton, Sean Fenner, David Williamson, and Todd Shuff. Hopefully a lot of this year's Junior Varsity and Frosh/Soph wrestlers will return next year and move up to the Varsity level.

1. Hold on tight now. 2. I'll tumble for ya!! 3. Ready, set and go!!! 4. Psyche-up time. 5. J/V Wrestling Team. 6. Frosh/Soph Wrestling Team. 7. "Zar" gets ready for a pin. 8. Aric wrestles Freestyle.

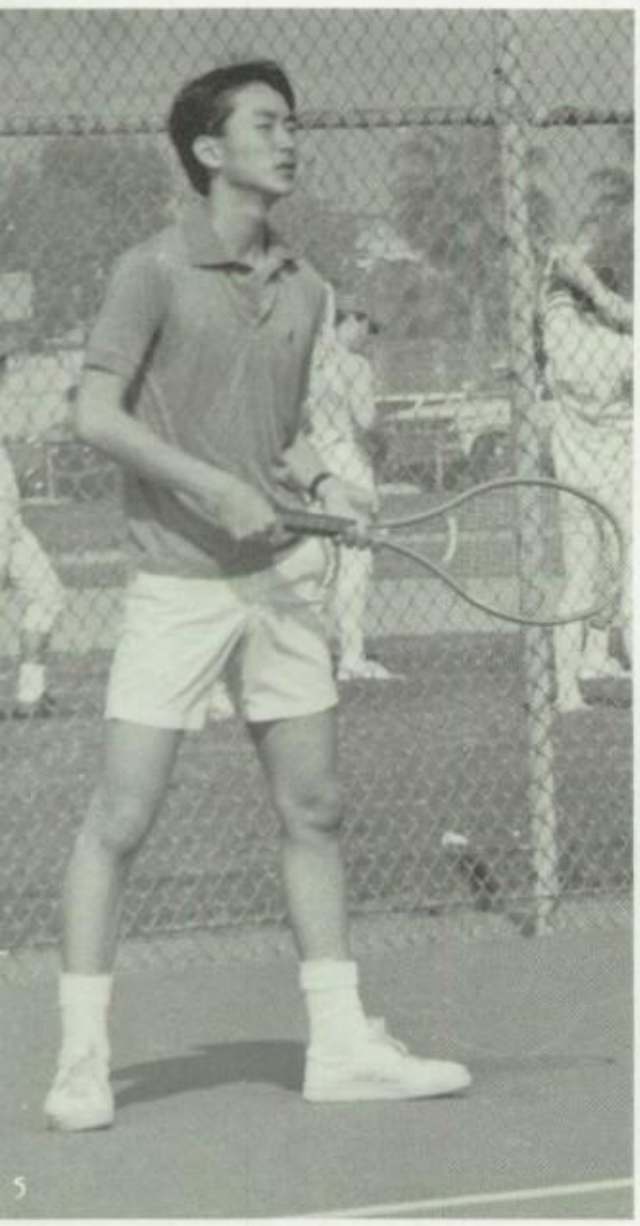
Irish in a Perfect Swing



Under the new coaching, the Varsity Tennis team got through '85 season with surprising outcome. With the contribution given from the newly joined members, the team, as a whole, proved to be a fine bunch. Also, the last year's lettermen gave their best shot in bringing the Irish **spirit** and the pride that we all come to have. The members had about the same ability; so practices were devoted to improving their game. In doubles, their main goal was to play a very aggressive serve-and-volley game, while singles were consistent at the baseline. The season, though it did not mean a first place victory, gave the players a valuable year of experience.

1. Billy Chen's hard work certainly paid off in the matches. 2. David Chun clocks back his arm for a perfect top spin. 3. Waiting for a return, Matt Shin's eyes never leaves the ball. 4. Derek Wisnowski drills a perfect back hand cross-court into the net. 5. Much of Steve's time on court is dedicated to intensive concentration. 6. Mike Bang charges to the net. 7. After a victory, Andy Ahn watches his opponent fall to his knee for mercy. 8. Team: L to R — Billy Chen, Thai Ngo, David Chun, Ben Garcia, Derek Wisnowski, Derby Davidson, Steve Shin, Matt Shin and Andy Ahn.

The Basic Concept

Although the JV Tennis Team was young and inexperienced, their dedication and energy made up their handicap. With the new coach's training program, these players came out of the courts in tip top shape. Since most of the team members were rookies, training consisted mainly of the perfecting of basic skills and basic strokes. Much of their hard work paid off; as they came out of the season with self satisfaction.

1. John Perkins stretches out for a tough match. 2. Jae Yu also believes in a good stretch-out. 3. Jerry Libell cross-courts, after recovering a tough return. 4. Danny Dressel concentrates on the ball in order to get the ball in the sweet spot. 5. Lance Nakamura poses after a long day's workout. 6. John Takaki shows the team the foot steps ... 7. Team: Danny Dressel, Jerry Libell, John Perkins, Robert Robertson, John Takaki, David Huang, Tom Kim, Tommy Lo, and Jae Yu.

Simply Awesome!

Led by four returning "letterwomen", the girls Varsity tennis team entered the year with high hopes. With coach Schultz in her first year, the team found themselves struggling in an identity crisis. But a lot of skill helped make this season one of great accomplishments. And even though they didn't come in first place in the win-loss column, these girls, by far, won the style catagory.

1. Jacquelin Heisman aces her opponent. 2. The awsome returning letter-women, 3&4. Girls Just Wanna Have Fun! 5. (1st row) Dawn Myers, Kimi Oyama, (2nd row) Cynthia Rogerson, Millie Paik, Michelle Tenney, (3rd row) Lisa Niles, Jacquelin Heisman, Michelle Nook, Kim Welman, Trisha Meil, Coach Schultz. 6. "We did better than we expected!", were the words used by the number one doubles player, Sonia Lee, to describe this years girls Junior Varsity tennis season. In a year of rebuilding, coach Lancaster, concentrated on the basics while maintaining the element of fun.

Aquatic Aspirations

Varsity Water Polo knew no bounds this season, with six wins and only two losses. Head coach Bob Zehtner trained these talented athletes to build strength and team support which resulted in a competitive edge over many teams that were considered to be very tough opponents. Overall Varsity came out with a respectable 3rd place standing with Scott Benda and Eric Evans a Most Valuable Players.

Frosh/Soph Water Polo had an equally fantastic year with five wins and only two losses. Coach Mark Till was the backbone to the teams spirit and skill. It was this combination that game the Frosh/Soph team a 2nd place standing with Andy Reyes as the Most Valuable Player.

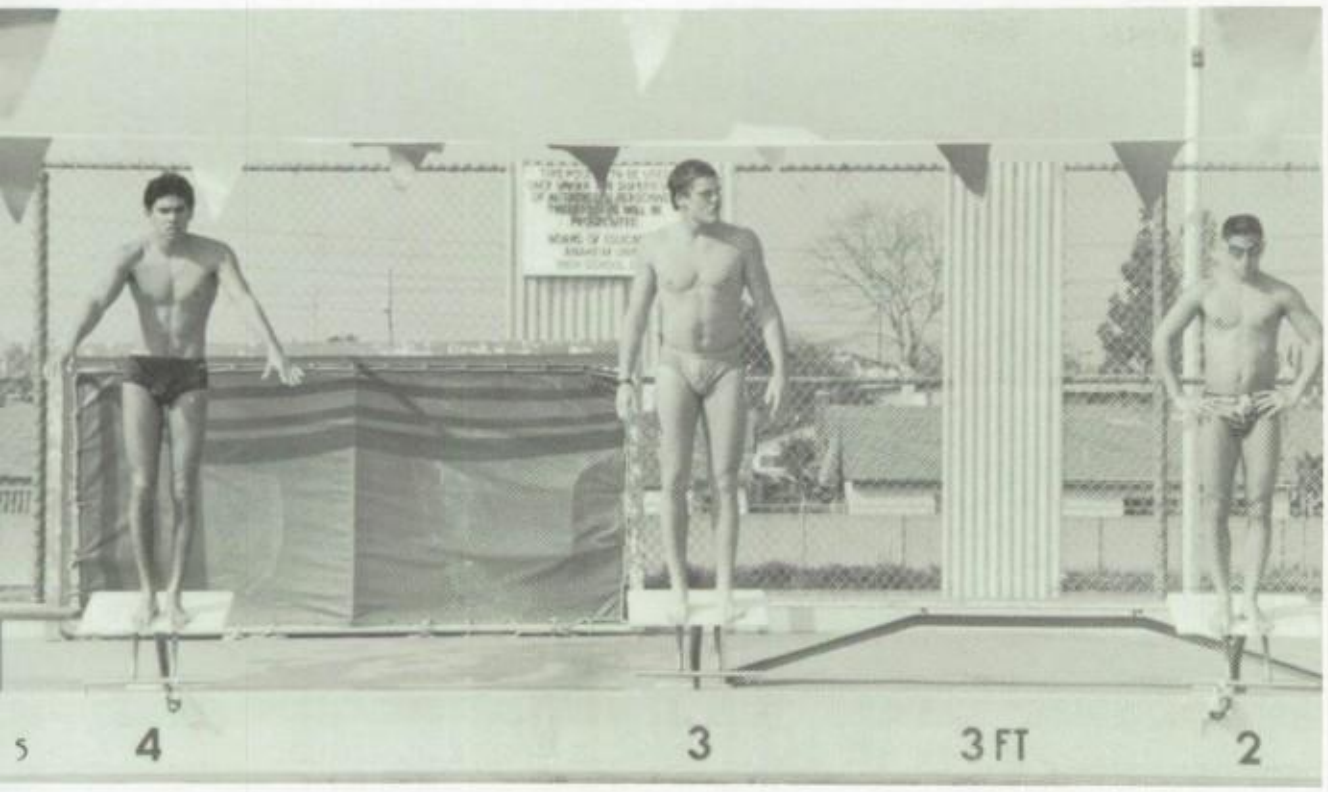
NO PAIN! NO GAIN



The Boys' Varsity Swim Team was a small team but put them altogether and they had the strength of a team twice as big as them. With coaches Till and Hurley as their authorities the guys found time to stop the playing and get down to business. The 12 member group had almost half newcomers. The boys not only workout in the water but pumped iron in the mornings from 6:00 to 7:30 as well. This years team probably had the biggest amount of members representing the Irish in C.I.F. in the history of J.F.K.

J.F.K. 2 C.I.F.

Girls' swimming had a terrific year. They were undefeated for almost the entire season with the help of returning lettermen Tina Edmond, Kristen Hurley, Tracy Benda and the newcomers Kristine Teramoto, Julie Martin, and Marina Bennett. The Irish probably had the most girls representing them this year in C.I.F. Not all the girls got the recognition they deserved, but coach Susan Hurley and captain Alane Azevedo knew who they were and all the girls did an excellent job.

A Sprint for Victory

This season was one in which Cross Country had good success on the boys Frosh-Soph and Junior Varsity teams. The boys Varsity team met with some tough competition this year leading to their 2-5 record. As for the girls Varsity, they experienced many injuries which led to their downfall.

However, Cross Country had two people who made it to All League Second Team, Jeff Welsh and Nikki Wright. The teams put forth great effort this year and plan to try harder next year.

Girl's track started off with a bang. Under Coach Richard Bailey, the girls track team conveyed a sharp sense of skill under the tough competitive pressure. The girls showed great promise that they would be a winning team. Irish Fever Catch-It!

For the Varsity Baseball Team it was a rebuilding year. Only two returning lettermen, Mike Faddoul (Scoop) and Jeff Trott (Cha). The Guys worked hard all year, made a lot of friendships, and won a few games. The Irish had a couple of promising newcomers. Junior Glenn Mares (Mr. Homerun) from Dana Hills helped spark the offense with his bat. Junior Joey O'brien (Fun B. #1) catcher and all around go getter, led the Irish in hits. Sophomore Todd Bristow (Cutie Pie) pitched and played the outfield for the Irish. The Rest of the Irish were made up of seniors: Dave Becerra (Don Juan), Brett Beloat (Fang), Robbie Blough (Little Boy), Preston Clark (Breathless), Tad Crockett (Tadley), Gary Dix (Space Cadet), Jeff Green (Fancyman), Tony Hopper (Pretty Boy), Dave Liken (Stitches), Jim Jones (Squeakels), Brent Rallo (Jr. Smurf), Dave Robinson (EHA!), Dave Salinas (Little Linas).

BatBusters

The 1985 edition of J.F.K. Junior Varsity Baseball showed a lot of promise with a 6-1 record in non-league play. The strong points of the team were the great attitude and lots of contact with the bat. The team was led by returners Andy Ujiie and Mark Roah along with a strong nucleus from last years Frosh-Soph Team.

The Frosh-Soph Baseball team consisted mostly of Freshmen, and in an always competitive Empire League. We had our work cut out for us. We had the enthusiasm of youth, but we lacked experience. Our goal this year was to develop attitudes and skills which will make these young men the best players they can be as they move on to the J.V. and Varsity squads.

1. Frosh-Soph player goes for downtown. 2. Frosh-Soph in action. 3. Coach Burns goes to mound. 4. Catcher Dave Christensen returns to position. 5. A Winning Tradition

The Varsity Softball Team was the 4A CIF division returning champions and Empire League Champions. Their impressive 13-1 record led them into 1985 with twelve returning lettermen. Coached by Marcia Iverson, they had a fantastic year, one which was filled with numerous awards and top honors.

Senior Honors received last year: Denise Correa — 4 year Varsity, Co-MVP player of the year — CIF; 1st team — LA Times: 2nd team Register; MVP Daily News Tribune; Coach's Award. Tania Silvis — 4 year Varsity 1st team All-League Empire. Carrie Kirchberg — 3 year Varsity, 2nd team All Empire League. Junior Honors received last year: Terina Franklin — 2 years Varsity; 1st team All Empire League. Marilyn Mead — 2 years Varsity; 1st team all CIF; 1st team All Empire League. Kathy Berdis — 2 years Varsity; 2nd team all CIF; 1st team Empire League; 1st team L.A. Times; Coaches Golden Glove Awards, "No Errors in '85!"

The Junior Varsity Softball Team coached by Tom Farr had a very successful season. Winning numerous games, the team started the season off with enthusiasm. The team consisted of eight returning players along with talented new-comers which created a winning combination. All of the players did the best job possible. The Junior Varsity Team displayed a multitude of talents continuing a winning tradition.

1. Loretta Jensen intensely anticipates a hopeful homer. 2. Marily Mead shows her expertise as she burns in a strike. 3. Darby King warms up while having fun. 4. Driving 2 win

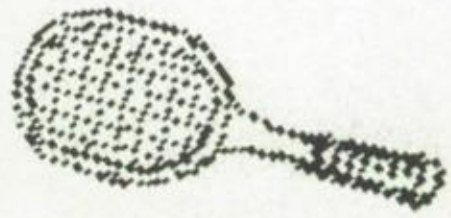
Badminton, a game that requires a great skill, attracted an awesome array of finely tuned athletes. Dedicating long hours to practice, the badminton team not only sacrificed their time, they sacrificed themselves. And with the dedication the Kennedy badminton team attempted to repeat the success of the previous two years.



Golf team (Alphabetical order): B. Box, C. Evans, B. Hepler, M. Palmer, S. Turnage. Badminton team (l to r) 1st row: T. Hudson, J. Huysman, 2nd row: Hucklie, M. Nook, J. Lee, J. McLaughlin, 3rd row: Lam, G. Huysman, B. Nguyen, J. Vogler, J. Sedwick, R. Lidward, 4th row: P. Yang, M. Tenney, I. Allen, Sonia Lee, Dougan, D. Depue, J. Chin, D. Matic, 5th row: Searle, J. As probably the most unrecognized sport on our campus, Golf returned for another year of obscurity. Seven young men assembled to form this year golf team with each member of the team striving to make this year a winning one.

THE DOCTOR IS IN

Kennedy High School is special! A large group of adults working together with over 2,000 students produce a certain chemistry at 8281 Walker Street that is different from any other school I have ever known.

Young people from many different cultural, racial, and economic backgrounds are brought together and in a process called "education" begin to dream, plan, and work to affect what the future will hold for them. It is during this process that the special meaning of the "Fighting Irish" is created. It is unique to our school.

The "Fighting Irish" are known for excellence in leadership, **spirit,** scholarship, activities, and athletics. It is made special because of the type of students, staff, and parents we have at our school. Join me in being proud to be a member of the "Fighting Irish."

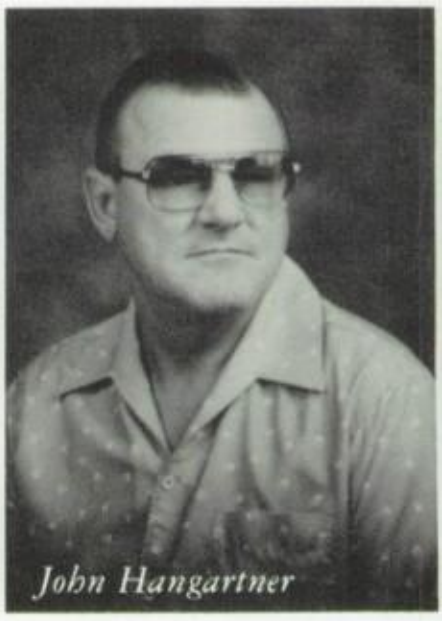
YOU'RE IN GOOD HANDS WITH . . .

Paul Driscoll



John Hangartner

This year Mr. Hangartner, Mr. Driscoll, and Mrs. Jordan have done an outstanding job preparing our Seniors for college, and working with our underclassmen for the years to come. They have all worked very hard in keeping the "status quo" between the teachers and the students. They have also been a tremendous help to all of our new faculty members. Our ROP and Career Guidance Counselor, Mr. Mayberry, has done a magnificent job in guiding all of our students in the right direction. He has helped many of our students make important career decisions, and he has helped many of us to get acquainted with the business world through all of the available ROP programs. Mr. Lee, the Work Experience Counselor, has been a tremendous help to our students.

He has helped many students find part-time employment, and he has helped many of our students earn school credits, as well as money, while learning.

A B C's FOR YOU AND ME

Every year the students at Kennedy High School enter one of our many English class rooms preparing to learn. Also every year the English Department comes prepared with new exciting and challenging methods for students to sample from. It is here where we grow from, the basic essential, the English language. Only if learning came easy, but with the help and instruction of the skilled staff it is overcome. Little do we really realize or appreciate what time and effort these teachers give to us.

1. We get a lesson on verbals by Mr. Peterman. 2. Mr. Peterson shows us another side of his personality. 3. Mrs. Giotta enjoying a restful moment. 4. Mrs. Meltebarger instructs a student on how to do an assignment. 5. Mrs. Ehrich explains the homework to a student.

Solving mathematic equations and chemical equations were just part of the typical math and science teacher's typical day.

In addition to this, there teachers had to disect animals, grow plants, set up acid solutions, help students with problems they couldn't work, and prepare Kknnedy-ians for the Basic Skills Tests.

Of course the math and science teachers had to spend countless hours of their own time grading an infinite amount of tests and labs and daily assignments, as well as think up more and more torturous home-work assignments and projects to besow upon their helpless students. Many also found time to run science clubs, ski clubs, athletic teams, computer clubs, C.S.F. and tutoring groups.

It's dedication like this that made the science and math departments a success.

AN ACCOUNT IN HISTORY

The Business Department has been a tremendous help to our students. The business teachers have taught our students skills that they will treasure for many years to come. Our students have learned various skills, such as, accounting, typing, and shorthand. With the fantastic help from the business department, these students have learned valuable skills that will be useful in the competitive business world.

The Social Studies Department has also contributed a great deal in the educating of our students. These teachers teach our students the various fascits of our history and future. The History teachers help our students learn more about their pasts, and how mankind has advanced through the ages. Our students learn how our government is run, how our laws are made, and a great deal of other interesting and fascinating subjects from our Government and other Social Studies teachers. The Social Studies Department as a whole, has contributed a great deal in helping our students broaden their educational views.

1. Here we see three eager to learn students listening to Mrs. Doss explain to them how to do the assignment. 2. Mr. Axworthy is helping a student with U.S. History. 3. Mrs. Bentzein is teaching her class the basic principles of accounting. 4. Mr. Haynes is shocked to learn that the Joe Schmoe legacy is still continuing. 5. HOW GREAT THOU ART

Both foreign language and the arts are used so that we may express ourselves in another form. Much time is spent in both of these subjects, teaching Kennedy students a new way of communicating. Students are trained skill that may be needed someday in their occupation. With the dedication of Dr. Jeria Girard-Corkum, Irmtraut Drake, Sharon Casserly, and Jose Gallegos, students express their feelings in a new language. Industrial art teachers: Russ Albright, Richard Bailey, and Robert Weir test their students on essential experiences. Jean Amos, Cheryl Jensen, and Robert Maib support our excellent art staff along with Theresa Campbell in home economics. And bringing the music to our lives are Zig Kanstul and Barbara Tappa.

1. Mrs. Amos takes a break between classes. 2. Mrs. Corkum helps a student in Spanish. 3. Mrs. Casserly instructs her class how to prepare for the next test. 4. Mrs. Jensen demonstrates her project to her class. 5. Mr. Gallegos reads to his Spanish class.

Educating The Students

The teachers in the Special Education department, the Health Department, the Driver Education Department, and the Physical Education Department had quite a busy time this year teaching their students to speak English well, be healthy, drive carefully, and play sports athletically.

Devoting countless hours to help their students learn English, CPR, driving skills, and how to play sports, the teachers in these departments still had to grade homework and tests.

Many a student came out of these classes. There is of course the ESL student, who had to learn English from scratch. Also, the difference between the steering wheel and importance of washing themselves daily and the reasons why they shouldn't drink and drive. Still others experienced team effort true sportsmanship. It is these teachers that those students should thank for valuable things.

Let's Hear It For The Girls

Every student at Kennedy at some time or another has probably been assisted by one of these ladies. These ladies are the clerks and instructional aides on our campus. They have many important jobs and each of them play a necessary part in helping the school range from typing, enrolling new students, recording attendance to assisting students in class and numerous other daily assignments. The campus aides make sure that students stay on campus during school hours.

All of these ladies are very important to Kennedy High School, and they are not thanked enough for all of the hard work they do. So the next time they help you don't forget to thank them. Let's hear it for the girls!

1. Mrs. Kreitz begins sorting through the day's paperwork. 2. Mrs. Robinson enjoys having a time-saving copy machine. 3. Mrs. Efstratis protects some classified copies from a snoopy photographer. 4. Mrs. Davidson is calling to check on the validity of a "parent's" signature. 5. One of Mrs. Hulse's job is to go over the daily absence list. 6. Helping Hands

The custodians and cafeteria staff at Kennedy work hard to help keep our campus surroundings clean and enjoyable.

The cafeteria staff prepares the cafeteria every day for lunch. This preparation consists of more work than you might think. The staff puts out all of the food and waits for the frantic rush of hungry students. They quickly see the students through the lines. After lunch is over they clean the cafeteria, and this is no easy job by any means.

The custodians on our campus have a wide variety of jobs which range from cleaning classrooms to raising the flag. The custodians work long, hard hours to keep our campus clean and in good shape.

Both of these groups deserve a great deal of recognition for the hard tasks they perform. They are truly Kennedy's helping hands.

1. Mrs. Sinclair helps to make the cafeteria miraculously clean again after lunch. 2. Mr. Flores patriotically raises the flag early before students arrive. 3. The Frito-Lay snatcher strikes again.

Setting up many projects to involve its members in the community, the FBLA participated in many types of activities, including community service projects, and school service projects. The club also had several field trips to business locations, heard speakers, held social events, and attended FBLA local chapter conferences. In the spring, the Kennedy FBLA took part in the FBLA Southern California conference, which was held at Kennedy. At this conference, the club members competed in such areas as Typing I and Typing II, public speaking, communications, and data processing. The club and its activities helped the members gain good business experience to help them in the future, while giving them a good time.

Bringing together students who had a deep-rooted interest in learning and playing music, the Jazz Band, Wind Ensemble, and Concert Band echoed their music all over school, at assemblies, parades, and competitions.

The Concert Band consisted of anyone who could play an instrument. Its members dedicated many early morning hours to practicing so they could reach perfection.

Jazz Band, which had five trumpets, five trombones, five saxophones, drums, electric bass, and a piano, dazzled audiences with their renditions of popular jazz songs.

Wind ensemble was the "varsity" band. It consisted of the top 40 players at school. It was so elite, its members were selected by audition.

The California Scholarship Federation, CSF, is a scholarship organization sponsored throughout the state by different high schools. Students involved maintain high academic requirements based on specific courses they take and their grade point average. One of the highest achievements in CSF is to be a Gold Seal Bearer. They receive a Gold Seal on their diploma, transcripts, and on a special certificate awarded to them at the end of the year. Led by advisor Mr. Arakawa, CSF was a very active club. Enhancement Volunteers

Rarely does one find a group of students as dedicated to their school as the students I've known in the Organization of Campus Enhancement. Their service to Kennedy, unnoticed at times, has been performed tirelessly and enthusiastically. For example, they refurbished the "K" and the marquis, created a disk golf course on campus, and volunteered at the Cypress Rec. Center, Olympic Dress Rehearsal, and Rose Parade. I would like to take the time to thank each and every member for all their help. I know that O.C.E. will continue to enhance Kennedy in the future. — Richard Dekany, President.

The members consider themselves as one big happy, but serious, family.

One of Kennedy's most active clubs, Key Club offers its services to Kennedy and the surrounding community. Among the activities to which Key Club members have donated their time and services are the city's annual Halloween Carnival and Santa's workshop, where members wrapped gifts and helped children write letters to Santa. Members also brought cheer to the elderly at local convalescent homes, raised money for the P.T.S.A. fundraiser and ushered Holiday in Music. For its outstanding contributions to the school and community in 1984, Key Club was awarded the title "Club of the Year."

Science Club — A Real Blast

Designed for those outgoing students that wanted to enlighten themselves, enrich their lives, and have a nice place to eat lunch, the Science Club was run, like every year, by Mr. Gene Ridenour. The Science Club held a science fair, and brought many students together who had a mutual interest in biology, chemistry, and physics. Under the leadership of the club President Nora Masuo, Vice-Prez Maria Cheng, Secretary Deena Masumiya, and Treasurer Kathy Vajda, the club also embarked on some field trips and candy saler, which helped the Science Club be an explosive group.

Freshmen Officers

"We're coming alive!", is what freshmen class President Jason Smith, said about the new "baby" class on campus.

The class of '88 worked hard to establish themselves here at J.F.K. And working hard is exactly what they did, through candy sales and donating time and money to the United Way Fund.

President Jason Smith, Vice-President Lora Saar, Secretary Susan Yamanishi, Treasurer Alethea Williams and Representative Marina Bennett, lead the way of the freshmen class, to start new traditions and keep the old living.

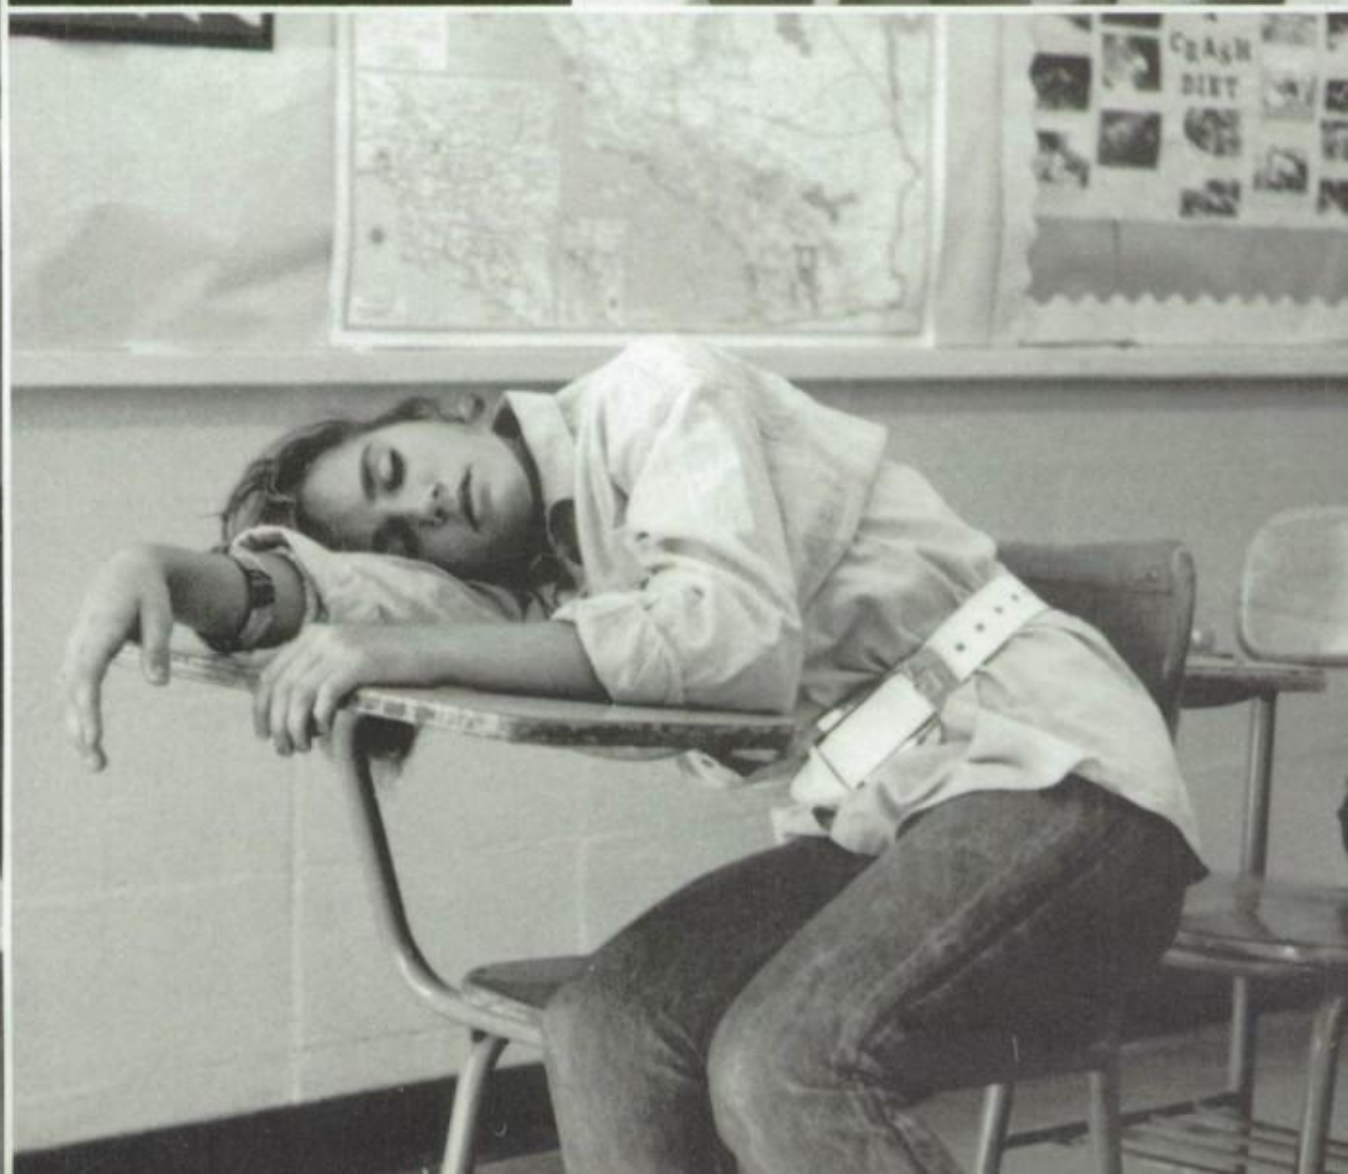
IRISH
YOUTH FOR KENNEDY
- IRISH



CLOSING

1. Clowns and shrouds of spirit explode after an Irish TD

2. Tsuyoshi Kiyanuma, Gina Marino and Mike Bang squeeze in for a quick picture during lunch.

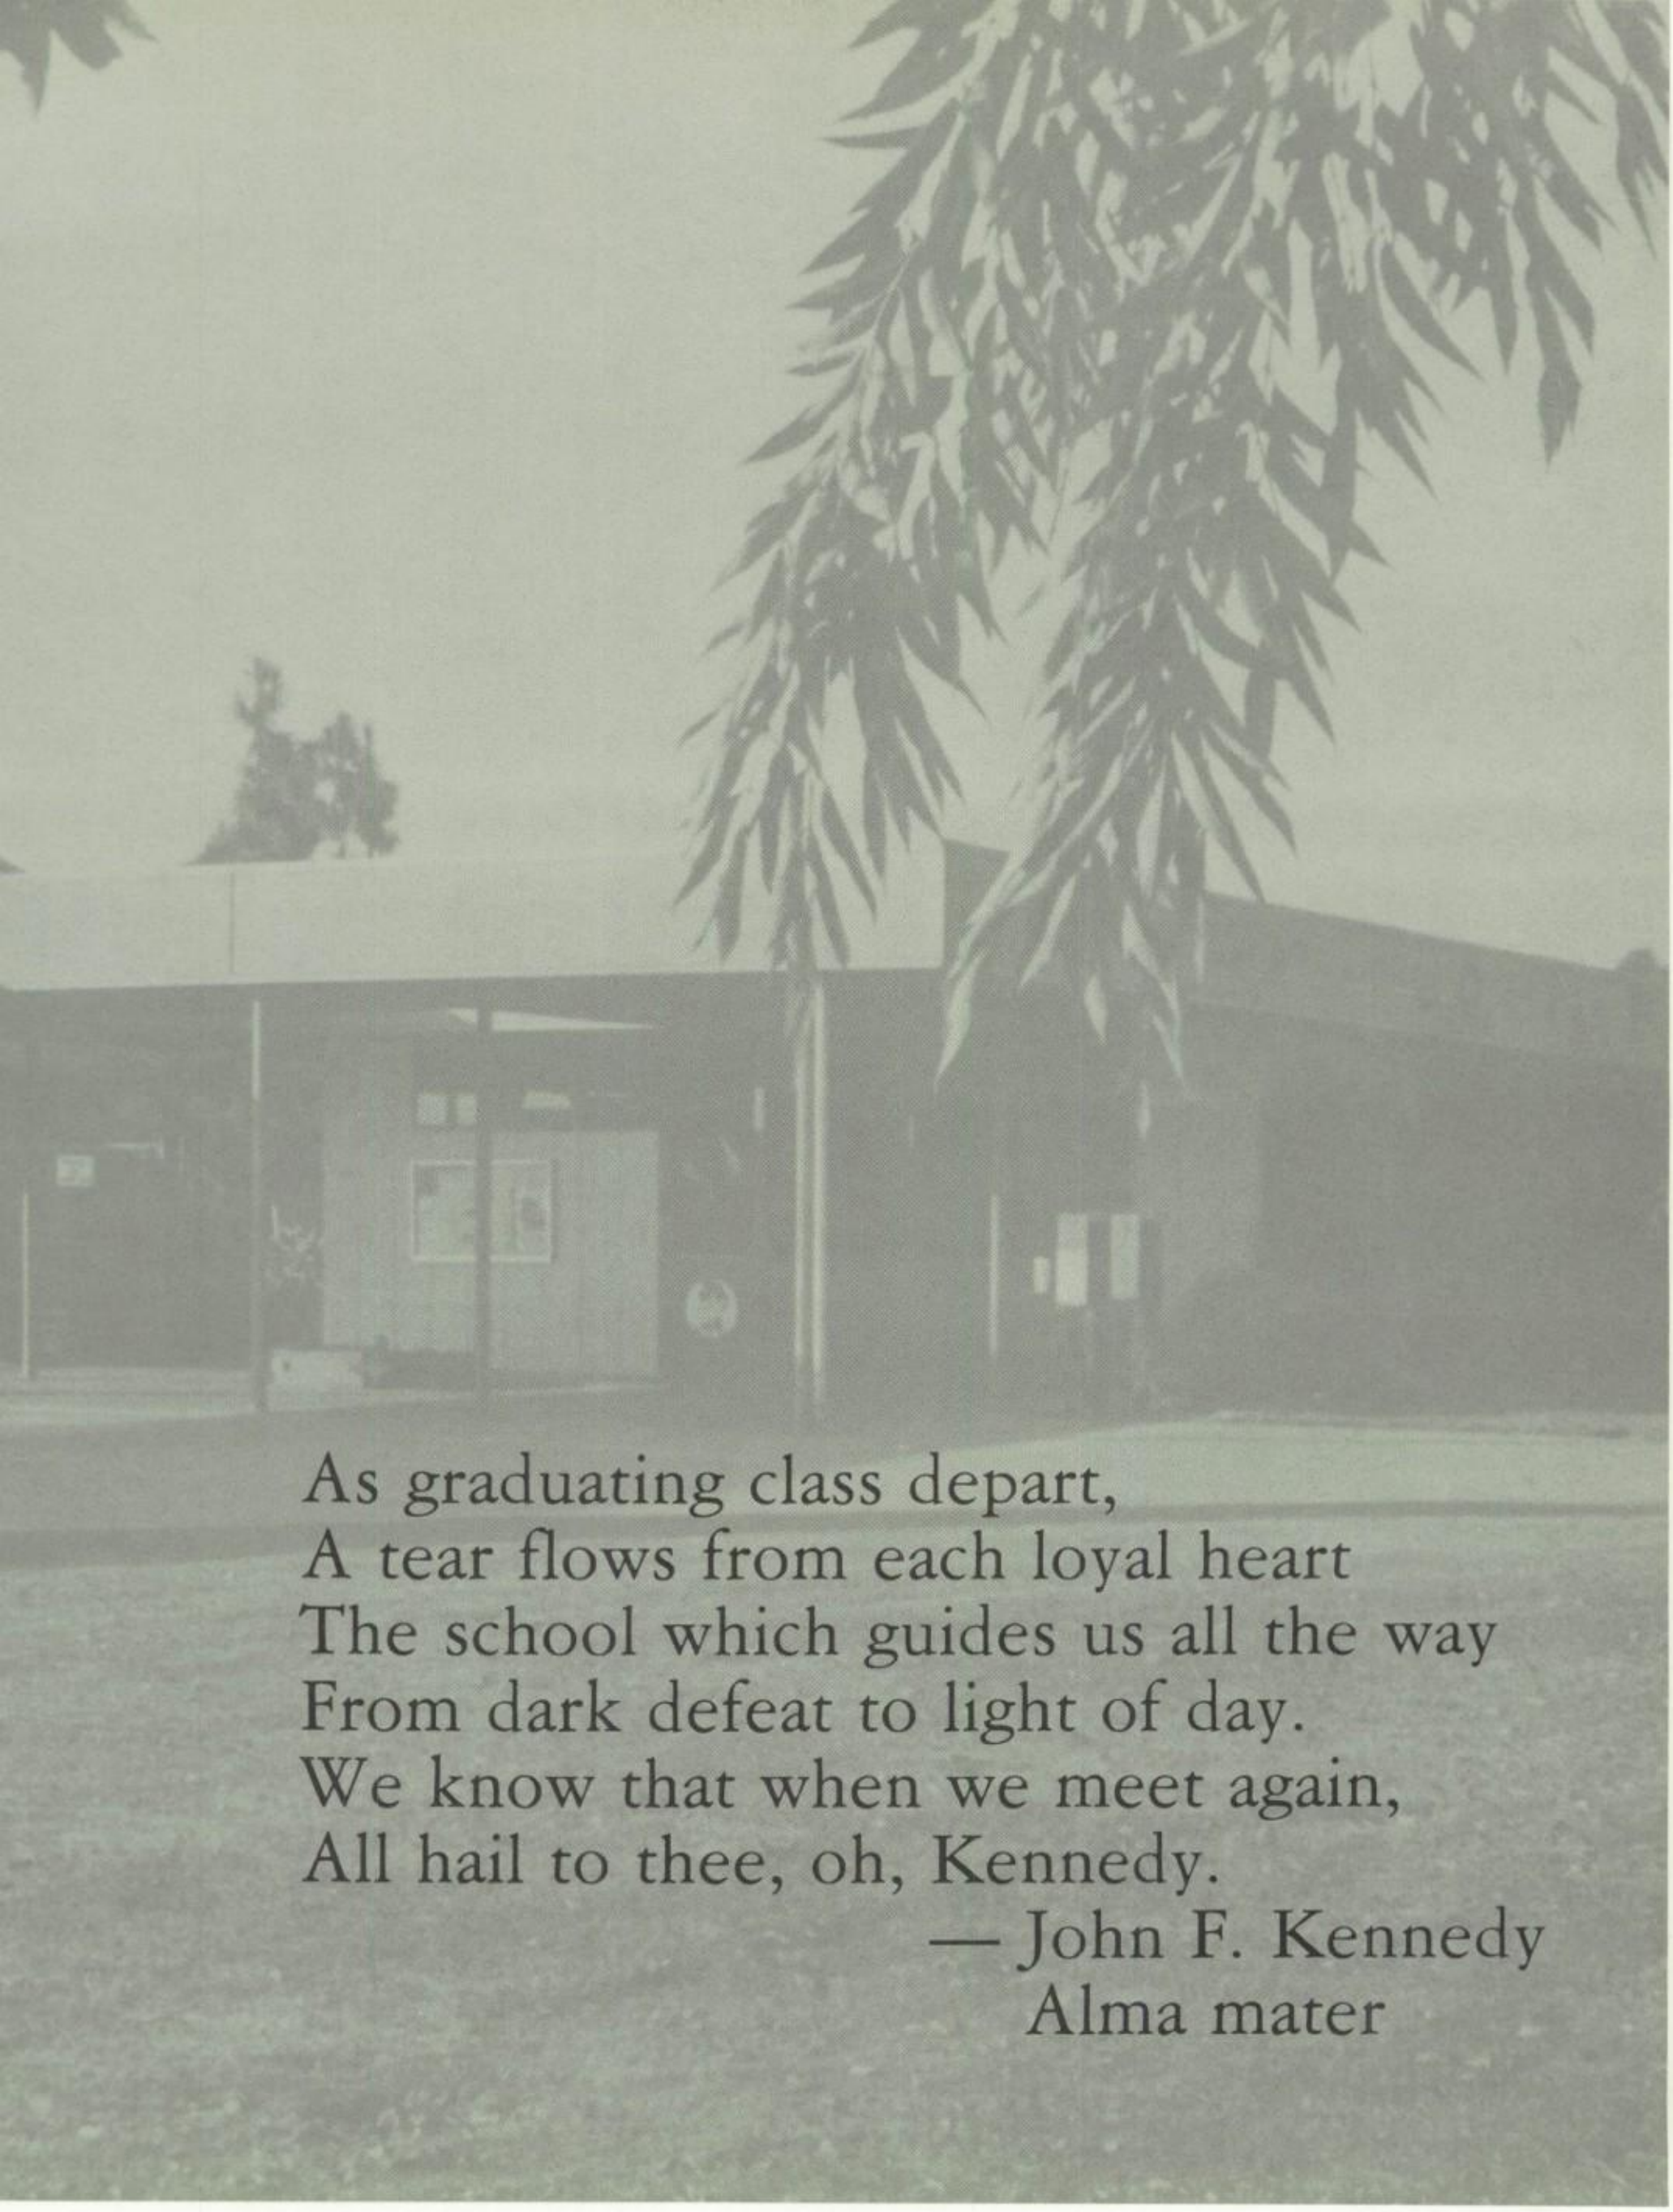
3. Gerald Stalder, Nick McMahon, Steve Reiley and Hans Siguewood raise their spirit during Halloween.

4. Vicki Williams would each dinner's ed. but, she stole the show

Our school, that grand old Kennedy . . .

We praise thy name with loyalty.
So true to thee though trials there be —
She'll always be so dear to me.
Green, white, and gold — we'll fight to gain
The crowd of victory and fame.

The Fighting Irish we will be —
To win our fight for victory.
Good sportsmanship and honor, too,
Will be supreme in all we do.
We'll be remembered like the flame —
A living tribute to the name.



As graduating class depart,
A tear flows from each loyal heart
The school which guides us all the way
From dark defeat to light of day.
We know that when we meet again,
All hail to thee, oh, Kennedy.

Images of Music

Music was a big part of American life in the last year. Music was used in the Olympics, as the Pointer Sisters' *I'm So Excited* was heard as background music during Olympic programming. Also during this time, Randy Neuman's *I Love L.A.* became a hit theme song of the City of the Angels.

The year also saw many movies that were tied to the music industry. Of course, this brings to mind Prince's *Purple Rain LP* which was a tremendous hit everywhere and also led other newcomers, like Morris Day and Appolonia 6, on the road to stardom. Madonna, labeled the Marilyn Monroe of the '80s, also made a movie and had some of her songs used in other movies.

Other newcomers popped up on the music scene. New Edition, Frankie Goes to Hollywood, Bananarama, Sheila E., Corey Hart, and Vanity all put out tremendous hits this year. Veteran artists also continued to bring out new albums with still more great hits. Among these were Tina Turner, Wham UK, REO Speedwagon, John Waite, Duran Duran, Culture Club, Cyndi Lauper, and the Jacksons, along with others.

1. The Jacksons, headed by Michael, toured the nation with their Victory Tour. It was a big success, although it was not as so as it was supposed to be. 2. John Waite had a lucky break this year with his successful *No Brakes* album with the hit song *Missing You*. 3. Nick Rhoades upset millions of teenage girls when he wed Julie Ann this year. Despite the members of Duran Duran getting married off one by one, the group still enjoys tremendous popularity, especially with their new album put out this year, *Arena*. 4. George Michaels and Andrew Ridgely of Wham UK were excellent successes in the United States with hits from their *Make It Big* album like *Careless Whispers*. 5. Bananarama was by far one of the most successful all women bands this year with hits like *Cruel Summer*, and *Wild Life*. 6. A hot new band, Frankie Goes To Hollywood will always be known for such songs as *Relax* and *Two Tribes*, both of which generated controversy here and in the U.K. 7. Madonna became famous for her sexy videos. 8. Prince was by far the most famous singer of the year. 9. New Edition became popular overnight with *Candy Girl, Cool It Now*, and *Mr. Telephoneman*. 10. The always pretty Boy George appalled audiences when he cut off his beautiful red hair (or black hair, or blond hair, or whatever hair he wanted). 11. Cyndi Lauper also had a tremendous second album. 12. Tina Turner, the 46 year old with the 25 year old legs, had an ultrapopular album with *Private Dancer*.

Images of People

Transplants had their place in the news this past year. Doctors successfully implanted battery operated artificial hearts in three dying patients, Clark, Schroeder, and Hayden, while doctors also were able to implant a baboon's heart in the body of the dying "Baby Faye". Unfortunately, Baby Faye died, but she and those other heart patients broke ground for revolutionary new studies in the medical field.

Hitting the headlines last summer was Vanessa Williams, who was literally exposed in *Penthouse* magazine. She lost her Miss America crown and was replaced by Suzette Charles.

Last Christmas, scores of British and American pop artists got together to cut a record entitled "Do They Know It's Christmas?" The profits from this record, which was extremely successful, went to aid the famine victims of Ethiopia. Following that lead, American artists got together to cut the also successful "We are the World" record and album.

Movies were ultra-popular this year. Favorites were Purple Rain, Ghostbusters, Indiana Jones and the Temple of Doom, Falcon and The Snowman, Beverly Hills Cop, Splash, City Heat, 2010, The Killing Fields, Sixteen Candles, and the Breakfast Club.

Popular TV shows were the Bill Cosby Show, E/R, Cheers, Night Court, Hill Street Blues, Magnum P.I., Dallas, and the A-Team.

Also hitting the news were Andiri Ghandi, India's assassinated prime minister, and Carl Lewis and Mary Lou Retton, who patriotically won many medals for the United States this summer.

Famous American musical artists gather together to record the song "We Are The World" which helped starving Africans. 5. Bill Cosby was a big hit in his new sitcom, The Bill Cosby Show. 6. Eddie Murphy had people rolling in the aisles in Beverly Hills Cop. 7. Indiri Ghandi's assassination caused rioting in the streets of India. 8. Vanessa Williams' appearance in *Penthouse* caused her not to appear on the Miss America show. 9. Harold Ramis, Dan Aykroyd, and Bill Murray go ghosthunting in their movie, Ghostbusters. 10. Harrison Ford pillaged and plundered in Indiana Jones. 11. Feed The World was the song put out by these Brit bands to help Ethiopians. 12. Carl Lewis and Mary Lou Retton became instant celebrities during this summer's Olympics.

Images of Events

As in every leap year, the main events of the past twelve months involved the Presidential race and the Olympics. For the Republicans, Ronald Reagan was a cinch for the nomination with George Bush as his Vice-President. On the Democratic front, Walter Mondale, Gary Hart, and Jesse Jackson battled it out for the nomination until it was decided that Mondale would be the Democratic candidate at the National Convention held in San Francisco. Under popular pressure, Mondale chose Rep. Geraldine Ferraro of New York as his running mate, an unprecendented move, as she was the first female candidate for the office on a major ticket.

For the first time in over half a century, the Olympics came to Los Angeles. Many sports facilities were renovated to accomodate the thousands of visitors from around the world. Fortunately, Reagan didn't decide to boycott the Olympics, although the Russians didn't attend due to "security problems".

Other items in the news: American troops pulled out of Lebanon, and started battling the Nicaraguan government instead, as well as assisting El Salvador's government against their rebels. The Soviets agreed to speak with the Americans seriously about reducing nuclear weapons. Additionally, Reagan initiated his "Star Wars" program of space weapons.

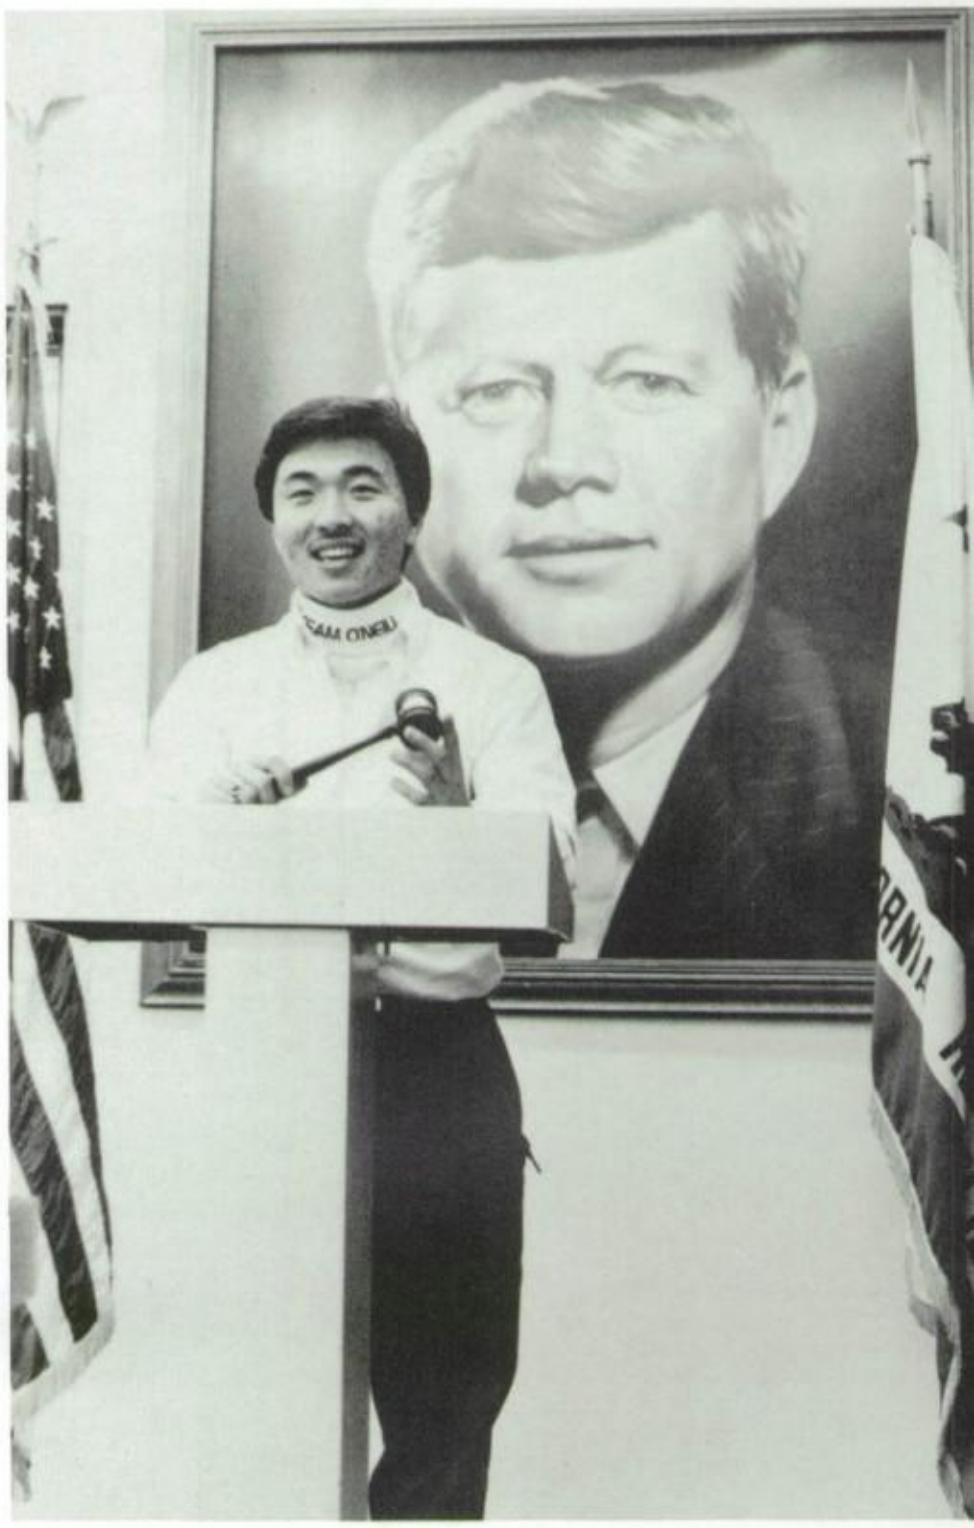
The FBI started cracking down on the Mafia, arresting several leaders. 5. The Reagan-Bush ticket beat the Mondale-Ferraro ticket by a landslide. 6. Carl Lewis won several medals at the Summer Olympics. 7. The Nicaraguan government prepared for an American invasion that never came with Russian weapons. 8. Many Americans hurrahed for a potential mugging victim who fought back and shot his assailers, in a New York subway. 9. Many El Salvadoran children became homeless as fighting continued there. 10. Ethiopia hit the newpage headlines as it became victim to severe famine and drought. 11. Nicaraguan contras continued to fight their Marxist government with U.S. aid. 12. The beliefs and ideals of John F. Kennedy live on in the eternal flame that marks his grave in the Arlington National Cemetery.

Michael Bang
ASB President

"To uphold the good name of John F. Kennedy High School . . ."

I can still remember the times when everyone could not wait until graduation. Now we face the real world, full of competition and responsibilities. This year was filled with excitement and many special moments. I have experienced ups and downs throughout the year and would like to thank all my friends for standing by me when I needed them the most. I will always be there for you guys, and I would like to say that I love you all.

This year student council has definitely been one of the best councils I have ever worked with. We worked together as a family to achieve the same goals. To uphold the good name of John F. Kennedy High School and to continue the many traditions and special events. To each and every student council member I would like to thank you for all your hard work that many have overlooked. Thank you also for all the radical times. To the entire student body, you were the ones that made our memories so special. I sincerely wish the best for each and everyone of you. And, I hope the experiences at Kennedy will help you to reach your dreams.



Michael Bang, the ASB President with a purpose — to uphold the Kennedy tradition.

To The Man, Mr. C., thank you for your guidance in student council and in my personal life. If it was not for Mr. C., John F. Kennedy High School would truely not be the home of the Fighting Irish! Thank you Mr. C. for all of your hard work and dedication and thanks for being one of my friends as well.

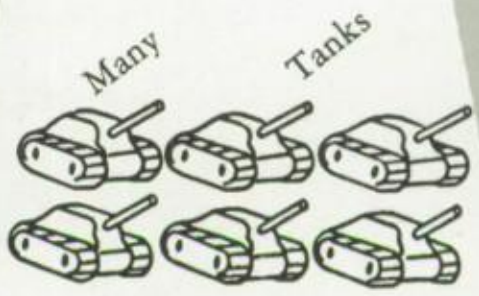
Once again thank you everyone and good luck!

Sincerely,
Michael Bang
ASB President

"To boldly go where no editor has gone before . . ."

Janet Ambuehl
Yearbook Editor

Janet Ambuehl, whip and all, was the leader of the yearbook expedition.



Editor's Log Book — Entry #1985: Well, so much for that adventure. The act of boldly going where no editor has gone before has at last been completed. (Great, now what do I do?) Like any great advanture though, there was a hidden goal or should I say story to tell. In this case that story was the theme, "Images of Spirit". Seeming to be appropriate, "Images of Spirit" reflected not only the activities and memories of John F. Kennedy High School but, its people as well!! But, capturing this through writings and images was not easy. In fact, it could not have been accomplished had it not been for the fantastic help and support of the "crew". I mean it, you guys did a terrific job and had it not been for you, there would have been no book!!

Looking back, there was a total of twenty-nine crew members and one TA, Laurie Peters. (That has got to be a new record for yearbook!) Photographically speaking, there were about nine people manning the cameras. Our miracle man and photo editor, Steve Alcala, was quite a talented guy. He was the only person I know who could juggle a camera in one hand and the entire underclass in the other. (I owe you one for that, Steve. Thank you ever so much!) Also armed with cameras were Ron Kaulen (Good ol' Motley himself) and Ken Scott (Thanks for supplying the whip). The neat thing about Ron and Ken was that no matter how hard the job or how crazy something might have sounded they did it anyways — no questions asked. (Thanks guys for having faith in me and for believing that I knew what I was doing. Ha!) Robin Christensen was the only registered girl photographer on the "crew" and boy, was I glad to have someone taking pictures of guys for a change?! (The majority of the photos were of Cheerleaders — hmm, I wonder why? Anyways, thanks Robin!) Mike Rodgers and Chris William (Tripper) were back again and helped greatly in keeping up with the supply and demand of the photos. (Thank you both! A yearbook without photographs is like a doughnut with no hole. It cannot exist without it!) In the "sound effects" department of the YV adventure there were Han Kim and Dan Roh. Their "beeping" and "dripping" noises dampened the stress of deadlines as well as helped set the atmosphere for the adventure. (I bet we were the first staff to design a yearbook in a cave! "Drip") Introducing the final photographer, Mr. Entertainment himself, the guy poppin' and boppin' from the book last year, Darin Nakakihara. (Clap, clap, clap.) Darin, you are quite a writer besides a photographer. You are the only guy I know who can write copy in such a way that it too can break and pop. (For those who doubt, it is on the Fads and Fashions page, pages 13 and 14.) Thank you so much Darin (Party! Party!) and the other photographers for capturing all of the images!

As for the rest of the "crew", those manning the typewriters and croppers, they really gave it their ALL to meet those awful D-Days. Thanks to you, we never missed a one! (Thank God!) Well, I have got to start somewhere so I might as well thank The Three Mouseketeers: Kristine Noble, Diana Valdez and Denise DeLand. You did one fantastic job and thank you so much for being there when something had to get done! (You worked so hard that you three deserve to graduate — I don't care what other people think. Ha!) Thank you also Linette Bandy for your love and for keeping me in line. If Mr. Maib was not holding the whip, you were so thanks for the extra push. (Somebody had to do it.) When it came to fantastic headlines, the person who came up with neatest ones was Ronda Jolly. (I do not know where you got them, Ronda, but they were the best ever. Thank you!) As for the neatest and cleanest layouts, Kathy Inouye really knew the word "tidy". (If the men at the Hunter Publishing Company cannot read her layouts then we are in BIG trouble.) Thanks Kathy for the extra time to make it readable. Another trio on the "crew" was Jenny Waldkirch, Tina Edmond and Brandy Gugert. Although they spent some of their time doing fashion layouts, they were most notably known for their "manhunts" during the sports season in which they were armed with cameras. (Ah adventures — they can get so hard at times.) Anyways, thank you and I hope that the chore of "shooting" guys was not too hard. (At least I know that it was not painful.) Somebody else who could be seen running around in the sports arena was Janeen Hill. (Go get'em Janeen!) Besides being a stat-girl, she contributed many neat ideas for the design of sports pages. Thank you, Janeen, for the time there and on the Senior Foldout. Stephanie LaPraire helped on the ASB page and thought up the neat design for displaying the class favorites. (Thank you, Stephanie, for the great ideas!) Another person who was working with ideas and time was Darcy Barker. (As far as I know, you were always working so thank you so much.) With Andy Kim, if he was not working on a layout, he was playing football. This really came in handy when we were doing the football pages — we just let Andy do them. (Well, we weren't quite that mean to him but, he was a great help during the football season. Thanks Andy for explaining just how the game is played!) As for the staff member who could always be heard, Jenny Lee, like Han and Dan, contributed a lot to the sound effects of the class. (I can still hear it, "Jan-net"!) Well, thank you ever so much, Jenny! And as for the only sane member on the "crew" (Good gravey, can it be possible?), Suzi Elliot really set an example for the rest of us. (Thank you Suzi for being such a together person and for getting some of the ads. You really did a great job!) The last and final members of the staff are Kyung Chang (To The Artist, thank you for teaching me!), Hee Yeon (A very, very quiet person), June Murakami (Do you still think that it was a kickback class?) and Jonathan (J.D.) Hilts. They could always be found together (well almost always) and were constantly working on the same sections together. (Wow! Now that's friendship.) Of all the "crew" members though, I must give a very special thank you to J.D. for all his help and for not giving up on us!

And the adventure goes on, as does this editor's log book entry. (Bord yet? — Don't answer that!) As for the "adults" behind the scenes, thank you very, very much Mr. Maib and Tom Imming (our rep.) for all the time and care! (We did it!) Thank you also Mrs. DeLand, Mrs. Jensen, Mrs. Hansell and all the coaches and club advisors. As crazy as it might sound, thanks Dad for typing ALL of the senior statements. Let's see, who (or what) else am I forgetting — oh ya, thanks to all my alien friends (you know who you are) for understanding just why I could not go with you to the mall, movies, Knotts, etc. Being editor is really a time consuming job but, like everything else in life, the hard work payed off! (At least it did for the Hunter Publishing Company!) Once again, thank you everyone who helped make "Images of Spirit" the best book ever!

In His Love and Mine,
Janet Ambuehl

WE ARE THE IMAGES OF SPIRIT

Though different we are in color and size,
We harmonize together with Irish cries.

Side by side together we stand,
Like the songs of freedom heard through the land.

So enlight the world with the Kennedy light,
Taking knowledge and memories into flight.
